To provide for the admission of the State of Hawaii into the Union.

Hawaii, state-
hood.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That, subject to the provisions of this Act, and upon issuance of the proclamation required by section 7(c) of this Act, the State of Hawaii is hereby declared to be a State of the United States of America, is declared admitted into the Union on an equal footing with the other States in all respects whatever, and the constitution formed pursuant to the provisions of the Act of the Territorial Legislature of Hawaii entitled "An Act to provide for a constitutional convention, the adoption of a State constitution, and the forwarding of the same to the Congress of the United States, and appropriating money therefor", approved May 20, 1949 (Act 334, Session Laws of Hawaii, 1949), and adopted by a vote of the people of Hawaii in the election held on November 7, 1950, is hereby found to be republican in form and in conformity with the Constitution of the United States and the principles of the Declaration of Independence, and is hereby accepted, ratified, and confirmed.

Territory.

SEC. 2. The State of Hawaii shall consist of all the islands, together with their appurtenant reefs and territorial waters, included in the Territory of Hawaii on the date of enactment of this Act, except the atoll known as Palmyra Island, together with its appurtenant reefs and territorial waters, but said State shall not be deemed to include the Midway Islands, Johnston Island, Sand Island (offshore from Johnston Island), or Kingman Reef, together with their appurtenant reefs and territorial waters.

SEC. 3. The constitution of the State of Hawaii shall always be republican in form and shall not be repugnant to the Constitution of the United States and the principles of the Declaration of Independence.

Constitution.

SEC. 4. As a compact with the United States relating to the management and disposition of the Hawaiian home lands, the Hawaiian Homes Commission Act, 1920, as amended, shall be adopted as a provision of the Constitution of said State, as provided in section 7, subsection (b) of this Act, subject to amendment or repeal only with the consent of the United States, and in no other manner: *Provided*, That (1) sections 202, 213, 219, 220, 222, 224, and 225 and other provisions relating to administration, and paragraph (2) of section 204, sections 206 and 212, and other provisions relating to the powers and duties of officers other than those charged with the administration of said Act, may be amended in the constitution, or in the manner required for State legislation, but the Hawaiian home-loan fund, the Hawaiian home-operating fund, and the Hawaiian home-development fund shall not be reduced or impaired by any such amendment, whether made in the constitution or in the manner required for State legislation, and the encumbrances authorized to be placed on Hawaiian home lands by officers other than those charged with the administration of said Act, shall not be increased, except with the consent of the United States; (2) that any amendment to increase the benefits to lessees of Hawaiian home lands may be made in the constitution, or in the manner required for State legislation, but the qualifications of lessees shall not be changed except with the consent of the United States; and (3) that all proceeds and income from the "available lands", as defined by said Act, shall be used only in carrying out the provisions of said Act.

Compact with
U. S.
42 Stat. 108.
48 USC 691.

SEC. 5. (a) Except as provided in subsection (c) of this section, the State of Hawaii and its political subdivisions, as the case may be, shall succeed to the title of the Territory of Hawaii and its subdivisions in those lands and other properties in which the Territory and its subdivisions now hold title.

Title to property.

(b) Except as provided in subsection (c) and (d) of this section, the United States grants to the State of Hawaii, effective upon its admission into the Union, the United States' title to all the public lands and other public property within the boundaries of the State of Hawaii, title to which is held by the United States immediately prior to its admission into the Union. The grant hereby made shall be in lieu of any and all grants provided for new States by provisions of law other than this Act, and such grants shall not extend to the State of Hawaii.

Land grants.

(c) Any lands and other properties that, on the date Hawaii is admitted into the Union, are set aside pursuant to law for the use of the United States under any (1) Act of Congress, (2) Executive order, (3) proclamation of the President, or (4) proclamation of the Governor of Hawaii shall remain the property of the United States subject only to the limitations, if any, imposed under (1), (2), (3), or (4), as the case may be.

U.S. property res-
ervation.

(d) Any public lands or other public property that is conveyed to the State of Hawaii by subsection (b) of this section but that, immediately prior to the admission of said State into the Union, is controlled by the United States pursuant to permit, license, or permission, written or verbal, from the Territory of Hawaii or any department thereof may, at any time during the five years following the admission of Hawaii into the Union, be set aside by Act of Congress or by Executive order of the President, made pursuant to law, for the use of the United States, and the lands or property so set aside shall, subject only to valid rights then existing, be the property of the United States.

Report to President; conveyance.

(e) Within five years from the date Hawaii is admitted into the Union, each Federal agency having control over any land or property that is retained by the United States pursuant to subsections (c) and (d) of this section shall report to the President the facts regarding its continued need for such land or property, and if the President determines that the land or property is no longer needed by the United States it shall be conveyed to the State of Hawaii.

Public trust. Use.

(f) The lands granted to the State of Hawaii by subsection (b) of this section and public lands retained by the United States under subsections (c) and (d) and later conveyed to the State under subsection (e), together with the proceeds from the sale or other disposition of any such lands and the income therefrom, shall be held by said State as a public trust for the support of the public schools and other public educational institutions, for the betterment of the conditions of native Hawaiians, as defined in the Hawaiian Homes Commission Act, 1920, as amended, for the development of farm and home ownership on as widespread a basis as possible for the making of public improvements, and for the provision of lands for public use. Such lands, proceeds, and income shall be managed and disposed of for one or more of the foregoing purposes in such manner as the constitution and laws of said State may provide, and their use for any other object shall constitute a breach of trust for which suit may be brought by the United States. The schools and other educational institutions supported, in whole or in part, out of such public trust shall forever remain under the exclusive control of said State; and no part of the proceeds or income from the lands granted under this Act shall be used for the support of any sectarian or denominational school, college, or university.

48 USC 691.

(g) As used in this Act, the term "lands and other properties" includes public lands and other public property, and the term "public lands and other public property" means, and is limited to, the lands and properties that were ceded to the United States by the Republic of Hawaii under the joint resolution of annexation approved July 7, 1898 (30 Stat. 750), or that have been acquired in exchange for lands or properties so ceded.

48 USC 661.

(h) All laws of the United States reserving to the United States the free use or enjoyment of property which vests in or is conveyed to the State of Hawaii or its political subdivisions pursuant to subsection (a), (b), or (e) of this section or reserving the right to alter, amend, or repeal laws relating thereto shall cease to be effective upon the admission of the State of Hawaii into the Union.

Thereupon the Governor of the Territory shall, within thirty days after receipt of the official notification of such approval, issue his proclamation for the elections, as hereinafter provided, for officers of all State elective offices provided for by the constitution of the proposed State of Hawaii, and for two Senators and one Representative in Congress. In the first election of Senators from said State the two senatorial offices shall be separately identified and designated, and no person may be a candidate for both offices. No identification or designation of either of

the two senatorial offices, however, shall refer to or be taken to refer to the term of that office, nor shall any such identification or designation in any way impair the privilege of the Senate to determine the class to which each of the Senators elected shall be assigned.

SEC. 7. (a) The proclamation of the Governor of Hawaii required by section 6 shall provide for the holding of a primary election and a general election and at such elections the officers required to be elected as provided in section 6 shall be chosen by the people. The returns thereof shall be made and certified in such manner as the constitution of the proposed State of Hawaii may prescribe. The Governor of Hawaii shall certify the results of said elections, as so ascertained, to the President of the United States.

"(2) The boundaries of the State of Hawaii shall be as prescribed in the Act of Congress approved _____, and all claims

In the event the foregoing propositions are not adopted at said election by a majority of the legal votes cast on said submission, the provisions of this Act shall cease to be effective.

The Governor of Hawaii is hereby authorized and directed to take such action as may be necessary or appropriate to insure the submission of said propositions to the people. The return of the votes cast

Certification of voting results by Governor.

on said propositions shall be made by the election officers directly to the Secretary of Hawaii, who shall certify the results of the submission to the Governor. The Governor shall certify the results of said submission, as so ascertained, to the President of the United States.

Proclamation by
President.

(c) If the President shall find that the propositions set forth in the preceding subsection have been duly adopted by the people of Hawaii, the President, upon certification of the returns of the election of the officers required to be elected as provided in section 6 of this Act, shall thereupon issue his proclamation announcing the results of said election as so ascertained. Upon the issuance of said proclamation by the President, the State of Hawaii shall be deemed admitted into the Union as provided in section 1 of this Act.

Until the said State is so admitted into the Union, the persons holding legislative, executive, and judicial office in, under, or by authority of the government of said Territory, and the Delegate in Congress thereof, shall continue to discharge the duties of their respective offices. Upon the issuance of said proclamation by the President of the United States and the admission of the State of Hawaii into the Union, the officers elected at said election, and qualified under the provisions of the constitution and laws of said State, shall proceed to exercise all the functions pertaining to their offices in, under, or by authority of the government of said State, and officers not required to be elected at said initial election shall be selected or continued in office as provided by the constitution and laws of said State. The Governor of said State shall certify the election of the Senators and Representative in the manner required by law, and the said Senators and Representative shall be entitled to be admitted to seats in Congress and to all the rights and privileges of Senators and Representatives of other States in the Congress of the United States.

The State of Hawaii upon its admission into the Union shall be entitled to one Representative until the taking effect of the next reapportionment, and such Representative shall be in addition to the membership of the House of Representatives as now prescribed by law: *Provided*, That such temporary increase in the membership shall not operate to either increase or decrease the permanent membership of the House of Representatives as prescribed in the Act of August 8, 1911 (37 Stat. 13), nor shall such temporary increase affect the basis of apportionment established by the Act of November 15, 1941 (55 Stat. 761; 2 U.S.C., sec. 2a), for the Eighty-third Congress and each Congress thereafter.

(e) In the event the Commission solicits proposals for any prototype under subsection (c) or (d) of this section, but no satisfactory proposal is received, the Commission may, if the project is still deemed desirable, proceed with design, construction, and operation of such prototype at a Commission installation and funds authorized by subsection (b) shall be available for the purposes of this subsection (e).

(f) Funds appropriated to the Commission, pursuant to the authorization contained in subsection (b) of this section, and authorized for the Third Round of the Commission's power reactor demonstration program shall be available to the Commission for use in a cooperative arrangement to provide financial assistance for research and development in connection with the design, construction, and operation of an advanced, high temperature gas-cooled experimental power reactor in accordance with the basis for an arrangement described in the program justification data submitted by the Commission in support of its authorization proposal for fiscal year 1960: *Provided*, That, in the event the parties enter into such a cooperative arrangement and proceed with research and development and there is a unilateral abandonment of the research and development or of the construction of the plant for reasons other than (a) a contract amendment under which the Atomic Energy Commission approves such abandonment, or (b) causes beyond the control of the contracting parties and without their fault or negligence (including inability to obtain necessary licenses or regulatory approvals or adequate liability insurance coverage), the Commission shall be reimbursed by the party abandoning the project for its expenditures for research and development under the arrangement except to the extent that the Commission determines that any such expenditures have resulted in the acquisition by the Government of property, patents, or other value.

SEC. 111. The Commission is authorized to enter into cooperative arrangements with any person or persons for participation in the development, construction and operation of the experimental low-temperature process heat reactor authorized under project 60-e-14 of section 101(e) of this Act, and the utilization of the steam generated by the reactor plant. Under such arrangements—

Upon the expiration of such period, the Commission may offer the reactor plant and its appurtenances for sale to a participating party or parties at a price to reflect appropriate depreciation, but not to include construction costs assignable to research and development, or the Commission may dismantle the reactor plant and its appurtenances;

(4) the Commission may sell steam to a participating party at rates based upon the present cost of, or the projected cost of, comparable steam from a plant using conventional fuels at the reactor location; and

(5) any steam sold shall be used for industrial, manufacturing or other commercial purposes, or for research and development related thereto, but shall not be used for the generation of electric power for sale. The participating party or parties shall provide facilities required for such utilization of the steam generated by the nuclear plant.

SEC. 112. In the event the Commission constructs a power reactor under the authorization of project 60-e-15 of section 101 or subsection 110(e) of this Act at an installation operated by or on behalf of the Commission—

(b) the Commission is authorized to obtain the participation of private, cooperative, or public organizations to the fullest extent consistent with the Commission direction of the project, ownership of the reactor, and utilization of the electric energy generated; and

(c) the power reactor constructed shall be operated by, or under contract with, the Commission, for such period of time as the Commission determines to be advisable for research and development purposes and for such additional period as the Commission may determine to be necessary in the best interest of the Government. Upon the expiration of such period the Commission may offer the reactor and its appurtenances for sale to any public, private or cooperative power organization at a price to reflect appropriate depreciation but not to include construction costs assignable to research and development, or the Commission may dismantle the reactor and its appurtenances.

“(e) GUARANTEED RENEWABLE CONTRACTS.—For purposes of this part, guaranteed renewable life, health, and accident insurance shall be treated in the same manner as noncancellable life, health, and accident insurance.

“(f) BURIAL AND FUNERAL BENEFIT INSURANCE COMPANIES.—A burial or funeral benefit insurance company engaged directly in the manufacture of funeral supplies or the performance of funeral services shall not be taxable under this part but shall be taxable under section 821 or section 831.

“(A) by subtracting therefrom an amount equal to the sum of the amounts added from time to time (for the taxable year) to the reserves for annuity contracts described in paragraph (1) by reason of appreciation in value of assets (whether or not the assets have been disposed of), and

“(B) by adding thereto an amount equal to the sum of the amounts subtracted from time to time (for the taxable year) from such reserves by reason of depreciation in value of assets (whether or not the assets have been disposed of).

“(5) COMPANIES ISSUING VARIABLE ANNUITIES AND OTHER CONTRACTS.—In the case of a life insurance company which issues both annuity contracts described in paragraph (1) and other contracts, under regulations prescribed by the Secretary or his delegate—

“(A) the policy and other contract liability requirements shall be considered to be the sum of—

“(i) the policy and other contract liability requirements computed by reference to the items which relate to annuity contracts described in paragraph (1), and

“(ii) the policy and other contract liability requirements computed by excluding the items taken into account under clause (i); and

“(B) such additional separate computations, with respect to such annuity contracts and such other contracts, shall be made as may be necessary to carry out the purposes of this subsection and this part.

"(3) **SPECIAL RULE FOR 1959 AND 1960.**—If any amount is subtracted from the policyholders surplus account under section 815(c)(3) for a taxable year beginning in 1959 or 1960 on account of a distribution in 1959 or 1960 (not including any distribution treated under section 815(d)(2)(B) as made in 1959 or 1960), the tax imposed for such taxable year on the life insurance company taxable income shall be the amount determined under paragraph (1) reduced by the following percentage of the amount by which the tax imposed by paragraph (1) is (without regard to this paragraph) increased, on account of the amount so subtracted, by reason of section 802(b)(3)—

"(A) in the case of a taxable year beginning in 1959, 66 $\frac{2}{3}$ percent; and

"(2) TAXABLE INVESTMENT INCOME DEFINED.—For purposes of this part, the taxable investment income for any taxable year shall be an amount (not less than zero) equal to the sum of the life insurance company's share of each and every item of investment yield (including tax-exempt interest, partially tax-exempt interest, and dividends received), reduced by—

"(A) the sum of—

"(i) the life insurance company's share of interest which under section 103 is excluded from gross income,

"(1) **ELECTION TO TRANSFER AMOUNTS FROM POLICYHOLDERS SURPLUS ACCOUNT TO SHAREHOLDERS SURPLUS ACCOUNT.**—

"(A) **IN GENERAL.**—A taxpayer may elect for any taxable year for which it is a life insurance company to subtract from its policyholders surplus account any amount in such account as of the close of such taxable year. "(4) LIMITATION ON AMOUNT IN POLICYHOLDERS SURPLUS ACCOUNT.—There shall be treated as a subtraction from the policyholders surplus account for a taxable year for which the taxpayer is a life insurance company the amount by which the policyholders surplus account (computed at the end of the taxable year without regard to this paragraph) exceeds whichever of the following is the greatest—

"(ii) the remainder of which is a distribution to which subsection (a) applies.

"(2) SPECIAL RULES.—

"(A) ALLOCATION RATIO.—The part referred to in paragraph (1)(B)(i) is the amount which bears the same ratio to the amount to which paragraph (1)(B) applies as—

“(c) LIFE INSURANCE RESERVES COMPUTED ON PRELIMINARY TERM BASIS.—For purposes of this part (other than section 801), at the election of the taxpayer the amount taken into account as life insurance reserves with respect to contracts for which such reserves are computed on a preliminary term basis may be determined on either of the following bases:

“(1) EXACT REVALUATION.—As if the reserves for all such contracts had been computed on a net level premium basis (using the same mortality assumptions and interest rates for both the preliminary term basis and the net level premium basis).

“(2) APPROXIMATE REVALUATION.—The amount computed without regard to this subsection—

“(A) increased by \$21 per \$1,000 of insurance in force (other than term insurance) under such contracts, less 2.1 percent of reserves under such contracts, and

the net amount of those adjustments which are determined (as of the close of 1957) to be necessary solely by reason of the change to the method required by subsection (a) in order to prevent amounts from being duplicated or omitted. The amount of the taxpayer's tax for 1957 shall be recomputed (under the law applicable to 1957, modified as provided in paragraph (4)) taking into account an amount equal to $\frac{1}{10}$ of the net amount of the adjustments determined under the preceding sentence. The amount of increase or decrease (as the case may be) referred to in paragraph (2) or (3) shall be the amount of the increase or decrease ascertained under the preceding sentence, multiplied by 10.

"(2) TREATMENT OF DECREASE.—For purposes of subtitle F, if the recomputation under paragraph (1) results in a decrease, the amount thereof shall be a decrease in the tax imposed for 1957; except that for purposes of computing the period of limitation on the making of refunds or the allowance of credits with respect to such overpayment, the amount of such decrease shall be treated as an overpayment of tax for 1959. No interest shall be paid, for any period before March 16, 1960, on any overpayment of the tax imposed for 1957 which is attributable to such decrease. 26 USC 6001-7852.

"(3) TREATMENT OF INCREASE.—

"(A) IN GENERAL.—For purposes of subtitle F (other than sections 6016 and 6655), if the recomputation under paragraph (1) results in an increase, the amount thereof shall be treated as a tax imposed by this subsection for 1959. Such tax shall be payable in 10 equal annual installments, beginning with March 15, 1960. 26 USC 6001-7852.

"(iv) Except as provided in section 381(c)(22), if for any taxable year the taxpayer is not a life insurance company, the time for payment of any remaining installments described in subparagraph (A) shall be the date (determined without regard to any extension of time) for filing the return for such taxable year. Post, p. 139.

"(4) MODIFICATIONS OF 1957 TAX COMPUTATION.—In recomputing the taxpayer's tax for 1957 for purposes of paragraph (1)—

"SEC. 819. FOREIGN LIFE INSURANCE COMPANIES.

"(a) CARRYING ON UNITED STATES INSURANCE BUSINESS.—A foreign life insurance company carrying on a life insurance business within the United States, if with respect to its United States business it would qualify as a life insurance company under section 801, shall be taxable on the United States business of such company in the same manner as a domestic life insurance company.

"(b) ADJUSTMENT WHERE SURPLUS HELD IN UNITED STATES IS LESS THAN SPECIFIED MINIMUM.—

"(1) IN GENERAL.—In the case of any company described in subsection (a), if the minimum figure determined under paragraph (2) exceeds the surplus held in the United States, then—

"(A) the amount of the policy and other contract liability requirements (determined under section 805 without regard to this subsection), and

"(B) the amount of the required interest (determined under section 809(a)(2) without regard to this subsection), shall each be reduced by an amount determined by multiplying such excess by the current earnings rate (as defined in section 805(b)(2)).

"(2) DEFINITIONS.—For purposes of paragraph (1)—

"(A) The minimum figure is the amount determined by multiplying the taxpayer's total insurance liabilities on United States business by—

"(i) in the case of a taxable year beginning before January 1, 1959, 9 percent, and

"(ii) in the case of a taxable year beginning after December 31, 1958, a percentage for such year to be determined and proclaimed by the Secretary or his delegate.

The percentage determined and proclaimed by the Secretary or his delegate under clause (ii) shall be based on such data with respect to domestic life insurance companies for the preceding taxable year as the Secretary or his delegate considers representative. Such percentage shall be computed on the basis of a ratio the numerator of which is the excess of the assets over the total insurance liabilities, and the denominator of which is the total insurance liabilities.

"(B) The surplus held in the United States is the excess of the assets held in the United States over the total insurance liabilities on United States business.

For purposes of this paragraph and subsection (c), the term 'total insurance liabilities' means the sum of the total reserves (as defined in section 801(c)) plus (to the extent not included in total reserves) the items referred to in paragraphs (3), (4), and (5) of section 810(c).

This paragraph shall apply also in respect of an insurance or annuity policy reinsured under a conventional coinsurance contract.

Comptrollers
General.
Widows and de-
pendent children,
annuities.
31 USC 1.

"SEC. 319. (a) Any Comptroller General of the United States, within six months of the date on which he takes office, or in the case of the Comptroller General currently in office and any retired Comptroller General, within six months after enactment of this section, may in writing elect a reduction in his salary and retirement pay for purposes of survivorship benefits as hereinafter provided.

"(b) There shall be deducted from the salary and retirement pay of any Comptroller General or retired Comptroller General making an election to receive survivorship benefits a sum equal to 3 per centum of his salary and retirement pay.

"(c) Each Comptroller General, or retired Comptroller General, making an election to receive survivorship benefits, shall deposit with the General Accounting Office for covering into the general fund of the Treasury as miscellaneous receipts a sum equal to 3 per centum of his salary and retirement pay received by him as Comptroller General prior to the date current deductions begin from his salary and retirement pay, and of his basic salary, pay, or compensation for service as a Senator, Representative, Delegate, or Resident Commissioner in the Congress of the United States and for any other civilian service which may form the basis of a widow's annuity as provided in subsection (n) of this section, with interest thereon at the rate of 4 per centum per annum to December 31, 1947, and 3 per centum per annum, thereafter, compounded on December 31 of each year. The current deductions from salary or retirement pay shall be regarded as effective as of the date the election of reduced salary and retirement pay for purposes of survivorship benefits is made.

"(d) Notwithstanding the failure of a Comptroller General or a retired Comptroller General to make the deposit under subsection (c), credit shall be allowed for the service rendered, but the annuity of the widow shall be reduced by 10 per centum of the amount of such deposit, computed as of the date of death of a Comptroller General or retired Comptroller General, unless such widow shall elect to eliminate such service entirely from credit under subsections (n) and (o) of this section.

"(e) In case any Comptroller General or retired Comptroller General who has elected to bring himself within the purview of this section shall die while in office, or die while in receipt of retirement pay

in accordance with section 303, after having rendered at least five years of civilian service computed as prescribed in subsections (n) and (o) of this section, for the last five years of which the salary deductions provided for by subsection (b) of this section or the deposits required by subsection (c) of this section have actually been made—

“(1) if such Comptroller General or retired Comptroller General is survived by a widow but not by a dependent child, there shall be paid to such widow an annuity beginning with the day of his death or following the widow's attainment of the age of fifty years, whichever is the later, in an amount computed as provided in subsection (n) of this section; or

“(2) if such Comptroller General or retired Comptroller General is survived by a widow and a dependent child or children, there shall be paid to such widow an immediate annuity in an amount computed as provided in subsection (n) of this section, and there shall also be paid to or on behalf of each such child an immediate annuity equal to one-half the amount of the annuity of such widow, but not to exceed \$900 per year divided by the number of children or \$360 per year, whichever is lesser; or

“(3) if such Comptroller General or retired Comptroller General leaves no surviving widow but leaves a surviving dependent child or children, there shall be paid to or on behalf of each such child an immediate annuity equal to the amount of the annuity to which such widow would have been entitled under paragraph (2) of this subsection had she survived, but not to exceed \$480 per year.

“(f) The annuity payable to the widow hereunder shall be terminable upon her death or remarriage. The annuity payable to a child hereunder shall be terminable upon (1) his attaining the age of eighteen years, (2) his marriage, or (3) his death, whichever first occurs, except that if such child is incapable of self-support by reason of mental or physical disability his annuity shall be terminable only upon death, marriage, or recovery from such disability. In the event of the death of a widow leaving a dependent child or children of a Comptroller General or retired Comptroller General surviving her the annuity of such child or children shall be recomputed and paid as provided in paragraph (3) of subsection (e) of this section. In any case in which the annuity of a dependent child, under this subsection, is terminated, the annuities of any remaining dependent child or children shall be recomputed and paid as though the child whose annuity was terminated had not survived such Comptroller General or retired Comptroller General.

“(g) As used herein—

“(i) In any case in which a Comptroller General who has elected to bring himself within the purview of this section is separated from the service prior to becoming entitled to retirement pay as provided

in section 303, he shall be paid the total amount deducted from his salary, with interest thereon at the rate of 4 per centum per annum to December 31, 1947, and 3 per centum per annum thereafter, compounded on December 31 of each year to date of separation.

“(j) In any case in which (1) any Comptroller General (A) dies in office before completion of five years of civilian service as prescribed in subsections (n) and (o) of this section, or (B) after completing five years of such service dies in office without any survivors entitled to an annuity as provided in subsection (e) of this section, or (2) in any case in which any retired Comptroller General dies without any survivors entitled to an annuity as provided in subsection (e) of this section, the total amount deducted from his salary and retirement pay with interest thereon at the rate of 4 per centum per annum to December 31, 1947, and 3 per centum per annum thereafter, compounded on December 31st of each year to date of death, shall be paid to the person or persons surviving at the date title to payment arises, in the following order of precedence, and such payment shall be a bar to recovery by any other person:

JOINT RESOLUTION

July 17, 1959
[S. J. Res. 111]

Providing for the designation of the third week of July as "Captive Nations Week".

Whereas the greatness of the United States is in large part attributable to its having been able, through the democratic process, to achieve a harmonious national unity of its people, even though they stem from the most diverse of racial, religious, and ethnic backgrounds; and

Whereas this harmonious unification of the diverse elements of our free society has led the people of the United States to possess a warm understanding and sympathy for the aspirations of peoples everywhere and to recognize the natural interdependency of the peoples and nations of the world; and

Whereas the enslavement of a substantial part of the world's population by Communist imperialism makes a mockery of the idea of peaceful coexistence between nations and constitutes a detriment to the natural bonds of understanding between the people of the United States and other peoples; and

Whereas since 1918 the imperialistic and aggressive policies of Russian communism have resulted in the creation of a vast empire which poses a dire threat to the security of the United States and of all the free peoples of the world; and

Whereas the imperialistic policies of Communist Russia have led, through direct and indirect aggression, to the subjugation of the national independence of Poland, Hungary, Lithuania, Ukraine, Czechoslovakia, Latvia, Estonia, White Ruthenia, Rumania, East Germany, Bulgaria, mainland China, Armenia, Azerbaijan, Georgia, North Korea, Albania, Idel-Ural, Tibet, Cossackia, Turkestan, North Viet-Nam, and others; and

Whereas these submerged nations look to the United States, as the citadel of human freedom, for leadership in bringing about their liberation and independence and in restoring to them the enjoyment of their Christian, Jewish, Moslem, Buddhist, or other religious freedoms, and of their individual liberties; and

Whereas it is vital to the national security of the United States that the desire for liberty and independence on the part of the peoples of these conquered nations should be steadfastly kept alive; and

Whereas the desire for liberty and independence by the overwhelming majority of the people of these submerged nations constitutes a powerful deterrent to war and one of the best hopes for a just and lasting peace; and

Whereas it is fitting that we clearly manifest to such peoples through an appropriate and official means the historic fact that the people of the United States share with them their aspirations for the recovery of their freedom and independence: Now, therefore, be it

Resolved by the Senate and House of Representatives of the United States of America in Congress assembled, That the President of the United States is authorized and requested to issue a proclamation designating the third week in July 1959 as "Captive Nations Week" and inviting the people of the United States to observe such week with appropriate ceremonies and activities. The President is further authorized and requested to issue a similar proclamation each year until such time as freedom and independence shall have been achieved for all the captive nations of the world.

[S. 726]

To amend section 11 of the Clayton Act to provide for the more expeditious enforcement of cease and desist orders issued thereunder, and for other purposes.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That (a) the first and second paragraphs of section 11 of the Act entitled "An Act to supplement existing laws against unlawful restraints and monopolies, and for other purposes", approved October 15, 1914 (38 Stat. 734, as amended; 15 U.S.C. 21), are hereby redesignated as subsections (a) and (b) of such section, respectively.

Clayton Act,
amendments.
Cease and desist orders.

(b) The last sentence of the second paragraph of such section which has been hereby redesignated as subsection (b) is amended to read as follows: "Until the expiration of the time allowed for filing a petition for review, if no such petition has been duly filed within such time, or, if a petition for review has been filed within such time then until the record in the proceeding has been filed in a court of appeals of the United States, as hereinafter provided, the Commission or Board may at any time, upon such notice and in such manner as it shall deem proper, modify or set aside, in whole or in part, any report or any order made or issued by it under this section. After the expiration of the time allowed for filing a petition for review, if no such petition has been duly filed within such time, the Commission or Board may at any time, after notice and opportunity for hearing, reopen and alter, modify, or set aside, in whole or in part, any report or order made or issued by it under this section, whenever in the opinion of the Commission or Board conditions of fact or of law have so changed as to require such action or if the public interest shall so require: *Provided, however,* That the said person may, within sixty days after service upon him or it of said report or order entered after such a reopening, obtain a review thereof in the appropriate court of appeals of the United States, in the manner provided in subsection (c) of this section."

Filing of petition.

(c) The third, fourth, fifth, sixth, and seventh paragraphs of such section are amended to read as follows:

"(c) Any person required by such order of the commission or board to cease and desist from any such violation may obtain a review of such order in the court of appeals of the United States for any circuit within which such violation occurred or within which such person resides or carries on business, by filing in the court, within sixty days after the date of the service of such order, a written petition praying that the order of the commission or board be set aside. to the commission or board, and thereupon the commission or board shall file in the court the record in the proceeding, as provided in section 2112 of title 28, United States Code. Upon such filing of the petition the court shall have jurisdiction of the proceeding and of the question determined therein concurrently with the commission or board until the filing of the record, and shall have power to make and enter a decree affirming, modifying, or setting aside the order of the commission or board, and enforcing the same to the extent that such order is affirmed, and to issue such writs as are ancillary to its jurisdiction or are necessary in its judgment to prevent injury to the public or to competitors *pendente lite*. The findings of the commission or board as to the facts, if supported by substantial evidence, shall be conclusive. To the extent that the order of the commission or board is affirmed, the court shall issue its own order commanding obedience to the terms of such order of the commission or board. If either party shall apply to the court for leave to adduce additional evidence, and shall show to the satisfaction of the court that such additional evidence is material and that there were reasonable grounds for the failure to adduce such evidence in the proceeding before the commission or board, the court may order such additional evidence to be taken before the commission or board, and to be adduced upon the hearing in such manner and upon such terms and conditions as to the court may seem proper. The commission or board may modify its findings as to the facts, or make new findings, by reason of the additional evidence so taken, and shall file such modified or new findings, which, if supported by substantial evidence, shall be conclusive, and its recommendation, if any, for the modification or setting aside of its original order, with the return of such additional evidence. The judgment and decree of the court shall be final, except that the same shall be subject to review by the Supreme Court upon certiorari, as provided in section 1254 of title 28 of the United States Code.

Supreme Court,

62 Stat. 928.
Filing of record.

“(d) Upon the filing of the record with it the jurisdiction of the court of appeals to affirm, enforce, modify, or set aside orders of the commission or board shall be exclusive.

“(e) Such proceedings in the court of appeals shall be given precedence over other cases pending therein, and shall be in every way expedited. No order of the commission or board or judgment of the court to enforce the same shall in anywise relieve or absolve any person from any liability under the antitrust laws.

Service of complaints, orders, etc.

“(f) Complaints, orders, and other processes of the commission or board under this section may be served by anyone duly authorized by the commission or board, either (1) by delivering a copy thereof to the person to be served, or to a member of the partnership to be served, or to the president, secretary, or other executive officer or a director of the corporation to be served; or (2) by leaving a copy thereof at the residence or the principal office or place of business of such person; or (3) by mailing by registered or certified mail a copy thereof addressed to such person at his or its residence or principal office or place of business. The verified return by the person so serving said complaint, order, or other process setting forth the manner of said service shall be proof of the same, and the return post office receipt for said complaint, order, or other process mailed by registered or certified mail as aforesaid shall be proof of the service of the same.

Finality of order.

“(g) Any order issued under subsection (b) shall become final—

“(1) upon the expiration of the time allowed for filing a petition for review, if no such petition has been duly filed within such time; but the commission or board may thereafter modify or set aside its order to the extent provided in the last sentence of subsection (b); or

"(2) upon the expiration of the time allowed for filing a petition for certiorari, if the order of the commission or board has been affirmed, or the petition for review has been dismissed by the court of appeals, and no petition for certiorari has been duly filed; or

"(3) upon the denial of a petition for certiorari, if the order of the commission or board has been affirmed or the petition for review has been dismissed by the court of appeals; or

"(4) upon the expiration of thirty days from the date of issuance of the mandate of the Supreme Court, if such Court directs that the order of the commission or board be affirmed or the petition for review be dismissed.

"(h) If the Supreme Court directs that the order of the commission or board be modified or set aside, the order of the commission or board rendered in accordance with the mandate of the Supreme Court shall become final upon the expiration of thirty days from the time it was rendered, unless within such thirty days either party has instituted proceedings to have such order corrected to accord with the mandate, in which event the order of the commission or board shall become final when so corrected.

Modification.

"(i) If the order of the commission or board is modified or set aside by the court of appeals, and if (1) the time allowed for filing a petition for certiorari has expired and no such petition has been duly filed, or (2) the petition for certiorari has been denied, or (3) the decision of the court has been affirmed by the Supreme Court, then the order of the commission or board rendered in accordance with the mandate of the court of appeals shall become final on the expiration of thirty days from the time such order of the commission or board was rendered, unless within such thirty days either party has instituted proceedings to have such order corrected so that it will accord with the mandate, in which event the order of the commission or board shall become final when so corrected.

"(j) If the Supreme Court orders a rehearing; or if the case is remanded by the court of appeals to the commission or board for a rehearing, and if (1) the time allowed for filing a petition for certiorari has expired, and no such petition has been duly filed, or (2) the petition for certiorari has been denied, or (3) the decision of the court has been affirmed by the Supreme Court, then the order of the commission or board rendered upon such rehearing shall become final in the same manner as though no prior order of the commission or board had been rendered.

Rehearing.

"(k) As used in this section the term 'mandate', in case a mandate has been recalled prior to the expiration of thirty days from the date of issuance thereof, means the final mandate.

Mandate.

"(l) Any person who violates any order issued by the commission or board under subsection (b) after such order has become final, and while such order is in effect, shall forfeit and pay to the United States a civil penalty of not more than \$5,000 for each violation, which shall accrue to the United States and may be recovered in a civil action brought by the United States. Each separate violation of any such order shall be a separate offense, except that in the case of a violation through continuing failure or neglect to obey a final order of the commission or board each day of continuance of such failure or neglect shall be deemed a separate offense."

AN ACT

To amend further the Mutual Security Act of 1954, as amended, and for other purposes.

Mutual Security
Act of 1959.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That this Act may be cited as the "Mutual Security Act of 1959".

STATEMENT OF POLICY

70 Stat. 555.
22 USC 1750.

SEC. 2. Section 2 of the Mutual Security Act of 1954, as amended, which is a statement of policy, is amended to read as follows:

"SEC. 2. STATEMENT OF POLICY.—(a) It is the sense of the Congress that peace in the world increasingly depends on wider recognition, both in principle and practice, of the dignity and interdependence of men; and that the survival of free institutions in the United States can best be assured in a world wide atmosphere of expanded freedom.

"(b) Through programs of assistance authorized by this Act and its predecessors, the United States has helped thwart Communist intimidation in many countries of the world, has helped Europe recover from the wounds of World War II, has supported defensive military preparations of nations alerted by Communist aggression, and has soundly begun to help peoples of economically underdeveloped areas to develop their resources and improve their living standards.

"(c) Programs authorized by this Act continue to serve the following principal purposes:

"(1) The Congress recognizes the basic identity of interest which exists between the people of the United States and the peoples of other lands who are striving to establish and develop politically independent and economically viable units, and to produce more goods and services, and to improve ways of living by methods which reflect the popular will, and to realize aspirations for justice, for education, and for dignity and respect as individual human beings, and to establish responsible governments which will cooperate with other like-minded governments. The Congress declares it to be a primary objective and need of the United States, and one consistent with its tradition and ideals, to share these strivings by providing assistance, with due regard for our other obligations, to peoples willing to work energetically toward these ends.

"(2) The Congress recognizes that the peace of the world and the security of the United States are endangered so long as international communism and the nations it controls continue by threat of military action, by the use of economic pressure, and by internal subversion, or other means to attempt to bring under their domination peoples now free and independent and continue to deny the rights of freedom and self-government to peoples and nations once free but now subject to such domination. The Congress declares it to be the policy of the United States to continue so long as such danger to the peace of the world and to the security of the United States persists, to make available to other free nations and peoples upon request assistance of such

nature and in such amounts as the United States deems advisable compatible with its own stability, strength, and other obligations, and as may be needed and effectively used by such free nations and peoples to help them maintain their freedom.

“(d) It is the sense of the Congress that inasmuch as—

“(1) the United States, through mutual security programs, has made substantial contributions to the economic recovery and rehabilitation of the nations of Western Europe; and

“(2) due in part to those programs, it has been possible for such nations to achieve complete economic recovery and to regain their military strength; and

“(3) certain other friendly nations of the world remain in need of assistance in order that they may defend themselves against aggression and contribute to the security of the free world;

those nations which have been assisted in their recovery should, in the future, share with the United States to a greater extent the financial burden of providing aid to those countries which are still in need of assistance of the type provided under this Act.

“(e) It is the sense of the Congress that assistance provided under this Act shall be administered so as to assist other peoples in their efforts to achieve self-government or independence under circumstances which will enable them to assume an equal station among the free nations of the world and to fulfill their responsibilities for self-government or independence. To this end, assistance shall be rendered where appropriate and feasible in such a way as to promote the emergence of political units which are economically viable, either alone or in cooperation with neighboring units.”

To amend the code of law for the District of Columbia by modifying the provisions relating to the attachment and garnishment of wages, salaries, and commissions of judgment debtors, and for other purposes.

August 4, 1959
[H. R. 836]

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That the Act entitled "An Act to establish a code of law for the District of Columbia", approved March 3, 1901, as amended, is amended by inserting after section 1104 thereof a new section as follows:

"SEC. 1104A. ATTACHMENT OF WAGES.—(a) Notwithstanding any other provision of this chapter, where an attachment is levied upon wages due a judgment debtor from an employer-garnishee, such attachment shall become a lien and a continuing levy upon the gross wages due or to become due to the judgment debtor for the amount specified in the attachment to the extent of (1) 10 per centum of so much of the gross wages as does not exceed \$200 due or to become due to the judgment debtor from the employer-garnishee for the pay period or periods ending in any calendar month, plus (2) 20 per centum of so much of the gross wages as exceeds \$200 but does not exceed \$500 due or to become due to the judgment debtor from the employer-garnishee for the pay period or periods ending in any calendar month, plus (3) 50 per centum of so much of the gross wages as exceeds \$500 due or to become due to the judgment debtor from the employer-garnishee for the pay period or periods ending in any calendar month. Such levy shall be a continuing levy until the judgment, interest, and costs thereof are fully satisfied and paid, and in no event shall moneys be withheld, by the employer-garnishee from the judgment debtor, in amounts greater than those prescribed by this section. Only one attachment upon the wages of a judgment debtor shall be satisfied at one time. Where more than one attachment is issued upon the wages of the same judgment debtor and served upon the same employer-garnishee, the attachment first delivered to the marshal shall have priority, and all subsequent attachments shall be satisfied in the order of priority set forth in section 452 of this Act.

"(b) It shall be the duty and responsibility of any employer upon whom an attachment is served, and who at such time is indebted for wages to an employee who is the judgment debtor named in such attachment, or who becomes so indebted to such judgment debtor in the future and while such attachment remains a lien upon such indebtedness, to withhold and pay to the judgment creditor, or his legal representative, within fifteen days after the close of the last pay period of the judgment debtor ending in each calendar month, that percentage of the gross wages payable to the judgment debtor for the pay period or periods ending in such calendar month to which the judgment creditor is entitled under the terms of this section until such attachment is wholly satisfied: *Provided*, That upon written notice of any court proceeding attacking such attachment or the judgment on which it is based, the employer shall make no further payments to the judgment creditor or his legal representative until receipt of an order of court terminating such proceedings. Any payments made by an employer-garnishee in conformity with this subsection shall be a discharge of the liability of the employer to the judgment debtor to the extent of such payment. Under this subsection the employer-garnishee shall not withhold or pay over more than 10 per centum of the gross wages payable to the judgment debtor for any pay period ending in any calendar month until the total amount of gross wages

paid or payable to the judgment debtor for all pay periods ending in such calendar month equals \$200, nor more than 20 per centum of the gross wages in excess of \$200 payable to the judgment debtor for any pay period ending in any calendar month until the total amount of gross wages paid or payable to the judgment debtor for all pay periods ending in such calendar month equals \$500.

Filing of receipts.

"(c) It shall be the duty and responsibility of the judgment creditor (1) to file with the clerk of the court, every three months after the serving of an attachment, a receipt showing the amount received and the balance due under the attachment as of the date of filing, and (2) to file a final receipt with the court, furnish a copy thereof to the employer-garnishee, and to obtain a vacation of the attachment within twenty days after the attachment has been satisfied. If the judgment creditor fails to file any of the receipts prescribed in this subsection, any interested party may move the court to compel the defaulting judgment creditor to appear in court and make an accounting forthwith. The court may, in its discretion, enter judgment for any damages, including a reasonable attorney's fee, suffered by, and tax costs in favor of, the party filing the motion to compel the accounting.

Penalty.

"(d) If the employer-garnishee fails to pay to the judgment creditor the percentages prescribed in this section of the wages which become payable to the judgment debtor for any pay period, judgment shall be entered against him for an amount equal to the percentages with respect to which such failure occurs.

Lapse of attachment.

"(e) If a judgment debtor resigns or is dismissed from his employment while an attachment upon his wages is wholly or partly unsatisfied, such attachment shall lapse and no further deduction shall be made thereon unless the judgment debtor is reinstated or reemployed within ninety days after such resignation or dismissal.

"Wages."

"(f) For purposes of this section, the term 'wages' means—

"(1) wages, salary, commissions, or other remuneration for services performed by an employee for his employer, including any such remuneration measured partly or wholly by percentages or share of profits, or by other sums based upon work done or results produced, whether or not the employee is given a drawing account, and

"(2) any drawing account made available to an employee by his employer.

The term wages shall not include any amount paid or payable to an employee who is not a resident of the District of Columbia as remuneration for services performed within the District of Columbia, if the period for which the employee is engaged by the employer to perform such services within the District of Columbia is less than fifteen consecutive days' duration; and any such amount shall be subject to attachment without regard to this section.

Percent limitations.
Nonapplicability.

"(g) The per centum limitations prescribed by subsection (a) of this section shall not apply in the case of execution upon a judgment, order, or decree of any court of the District of Columbia for the payment of any sum for the support or maintenance of a person's wife, or former wife, or children, and any such execution, judgment, order, or decree shall, in the discretion of the court, have priority over any other execution which is subject to the provisions of this section. In the case of execution upon such a judgment, order, or

decree for the payment of such sum for support or maintenance, the limitation shall be 50 per centum of the gross wages due or to become due to any such person for the pay period or periods ending in any calendar month.

“(h) No attachment issued by the municipal court for the District of Columbia upon a judgment of such court duly docketed in the United States District Court for the District of Columbia, and levied within six years from the date of such judgment upon the wages due or to become due to the judgment debtor from the employer-garnishee, shall lapse or become invalid prior to complete satisfaction solely by reason of the expiration of the period of limitation set forth in section 4(c) of the Act of April 1, 1942 (56 Stat. 193; D.C. Code 11-755).”

Limitation period.

“(i) Where the judgment debtor claims or is proved to be rendering services to or employed by a relative or other person or by a corporation owned or controlled by a relative or other person, without salary or compensation, or at a salary or compensation so inadequate as to satisfy the court that such salary or compensation is merely colorable and designed to defraud or impede the creditors of such debtor, the court may direct such employer-garnishee to make payments on account of the judgment, in installments, based upon a reasonable value of the services rendered by such judgment debtor under his said employment or upon said debtor's then earning ability.”

Installment payments.

“(j) Where an attachment levied under section 1104A is based upon a judgment obtained by default or consent without a trial upon the merits, the court, upon motion of any interested person, may quash such attachment upon satisfactory proof that such judgment was obtained without just cause and solely for the purpose of preventing or delaying the satisfaction of just claims.”

SEC. 2. Subsection (b) of section 1089 of the Act entitled “An Act to establish a code of law for the District of Columbia”, approved March 3, 1901, as amended (D.C. SEC. 5. (a) Section 456 of such Act, as amended (D.C. Code 16-312), is amended by adding at the end thereof as follows:

“(c) Any attachment issued under section 445 of this Act solely on the ground that the defendant is not a resident of the District of Columbia and levied upon wages as defined in section 1104A (f) shall be subject to the provisions of section 1104A of this Act, except that the employer-garnishee shall pay over the wages withheld pursuant to such section only pursuant to the order of the court which has jurisdiction of the case. In applying the provisions of such section to any such attachment, the term ‘judgment debtor’ as used in such section shall be considered to refer to the defendant in the case in which such attachment is issued; and the term ‘judgment creditor’ shall be considered to refer to the plaintiff in such case.”

(b) Subsection (b) of such section 456 is amended by striking out “Wages” and inserting in lieu thereof “earnings”.

Issuance and
sale.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That the last three paragraphs under the subtitle "Independent Agencies and Corporations" in title II of the Government Corporations Appropriation Act, 1948 (61 Stat. 576-577), are hereby repealed; and the Tennessee Valley Authority Act of 1933, as amended, is hereby amended by inserting immediately after section 15c thereof (16 U.S.C. 831n-3) the following new section:

"SEC. 15d. (a) The Corporation is authorized to issue and sell bonds, notes, and other evidences of indebtedness (hereinafter collectively referred to as 'bonds') in an amount not exceeding \$750,000,000 outstanding at any one time to assist in financing its power program and to refund such bonds. The Corporation may, in performing functions authorized by this Act, use the proceeds of such bonds for the construction, acquisition, enlargement, improvement, or replacement of any plant or other facility used or to be used for the generation or transmission of electric power (including the portion of any multiple-purpose structure used or to be used for power generation); as may be required in connection with the lease, lease-purchase, or any contract for the power output of any such plant or other facility; and for other purposes incidental thereto. Unless otherwise specifically authorized by Act of Congress the Corporation shall make no contracts for the sale or delivery of power which would have the effect of making the Corporation or its distributors, directly or indirectly, a source of power supply outside the area for which the Corporation or its distributors were the primary source of power supply on July 1, 1957,

and such additional area extending not more than five miles around the periphery of such area as may be necessary to care for the growth of the Corporation and its distributors within said area: *Provided, however*, That such additional area shall not in any event increase by more than 2½ per centum (or two thousand square miles, whichever is the lesser) the area for which the Corporation and its distributors were the primary source of power supply on July 1, 1957: *And provided further*, That no part of such additional area may be in a State not now served by the Corporation or its distributors or in a municipality receiving electric service from another source on or after July 1, 1957, and no more than five hundred square miles of such additional area may be in any one State now served by the Corporation or its distributors.

"Nothing in this subsection shall prevent the Corporation or its distributors from supplying electric power to any customer within any area in which the Corporation or its distributors had generally established electric service on July 1, 1957, and to which electric service was not being supplied from any other source on the effective date of this Act.

"Nothing in this subsection shall prevent the Corporation, when economically feasible, from making exchange power arrangements with other power-generating organizations with which the Corporation had such arrangements on July 1, 1957, nor prevent the Corporation from continuing to supply power to Dyersburg, Tennessee, and Covington, Tennessee, or from entering into contracts to supply or from supplying power to the cities of Paducah, Kentucky; Princeton, Kentucky; Glasgow, Kentucky; Fulton, Kentucky; Monticello, Kentucky; Hickman, Kentucky; Chickamauga, Georgia; Ringgold, Georgia; Oak Ridge, Tennessee; and South Fulton, Tennessee; or agencies thereof; or from entering into contracts to supply or from supplying power for the Naval Auxiliary Air Station in Lauderdale and Kemper Counties, Mississippi, through the facilities of the East Mississippi Electric Power Association: *Provided further*, That nothing herein contained shall prevent the transmission of TVA power to the Atomic Energy Commission or the Department of Defense or any agency thereof, on certification by the President of the United States that an emergency defense need for such power exists. Nothing in this Act shall affect the present rights of the parties in any existing lawsuits involving efforts of towns in the same general area where TVA power is supplied to obtain TVA power.

Exchange arrangements, etc.

"The principal of and interest on said bonds shall be payable solely from the Corporation's net power proceeds as hereinafter defined. Net power proceeds are defined for purposes of this section as the remainder of the Corporation's gross power revenues after deducting the costs of operating, maintaining, and administering its power properties (including costs applicable to that portion of its multiple-purpose properties allocated to power) and payments to States and counties in lieu of taxes but before deducting depreciation accruals or other charges representing the amortization of capital expenditures, plus the net proceeds of the sale or other disposition of any power facility or interest therein, and shall include reserve or other funds created from such sources. Notwithstanding the provisions of section 26 of this Act or any other provision of law, the Corporation may pledge and use its net power proceeds for payment of the principal of and interest on said bonds, for purchase or redemption thereof, and for other purposes incidental thereto, including creation of reserve funds and other funds which may be similarly pledged and used, to such extent and in such manner as it may deem necessary or desirable. The Corporation is authorized to enter into binding covenants with

the holders of said bonds—and with the trustee, if any—under any indenture, resolution, or other agreement entered into in connection with the issuance thereof (any such agreement being hereinafter referred to as a ‘bond contract’) with respect to the establishment of reserve funds and other funds, adequacy of charges for supply of power, application and use of net power proceeds, stipulations concerning the subsequent issuance of bonds or the execution of leases or lease-purchase agreements relating to power properties, and such other matters, not inconsistent with this Act, as the Corporation may deem necessary or desirable to enhance the marketability of said bonds.

“Bond contract.” Exception. The issuance and sale of bonds by the Corporation and the expenditure of bond proceeds for the purposes specified herein, including the addition of generating units to existing power-producing projects and the construction of additional power-producing projects, shall not be subject to the requirements or limitations of any other law: *Provided*, That, with the budget estimates transmitted by the President to the Congress, the President shall transmit the power construction program of the Corporation as presented to him and recommended by the Corporation, together with any recommendation he may deem appropriate.

*Post, p. 338.
Report to Congress.* Restriction. “Neither bond proceeds nor power revenues received by the Corporation shall be used to initiate the construction of new power producing projects (except for replacement purposes and except the first such project begun after the effective date of this section) until the construction program of the Corporation shall have been before Congress in session for ninety calendar days. In the absence of any modifying action by a concurrent resolution of the Congress within the ninety days, such projects will be deemed to have Congressional approval.

Restriction. “(b) Bonds issued by the Corporation hereunder shall not be obligations of, nor shall payment of the principal thereof or interest thereon be guaranteed by, the United States. Proceeds realized by the Corporation from issuance of such bonds and from power operations and the expenditure of such proceeds shall not be subject to apportionment under the provisions of Revised Statutes 3679, as amended (31 U.S.C. 665).

*Sale.
Terms, rates,
method, etc.* “(c) Bonds issued by the Corporation under this section shall be negotiable instruments unless otherwise specified therein, shall be in such forms and denominations, shall be sold at such times and in such amounts, shall mature at such time or times not more than fifty years from their respective dates, shall be sold at such prices, shall bear such rates of interest, may be redeemable before maturity at the option of the Corporation in such manner and at such times and redemption premiums, may be entitled to such relative priorities of claim on the Corporation’s net power proceeds with respect to principal and interest payments, and shall be subject to such other terms and conditions, as the Corporation may determine: *Provided*, That at least fifteen days before selling each issue of bonds hereunder (exclusive of any commitment shorter than one year) the Corporation shall advise the Secretary of the Treasury as to the amount, proposed date of sale, maturities, terms and conditions and expected rates of interest of the proposed issue in the fullest detail possible and, if the Secretary shall so request, shall consult with him or his designee thereon, but the sale and issuance of such bonds shall not be subject to approval by the Secretary of the Treasury except as to the time of issuance and the maximum rates of interest to be borne by the bonds: *Provided further*, That if the Secretary of the Treasury does not approve a proposed issue of bonds hereunder within seven working days following the date on which he is advised of the proposed sale, the Corporation may issue to the Secretary interim obligations in the amount of the pro-

posed issue, which the Secretary is directed to purchase. In case the Corporation determines that a proposed issue of bonds hereunder cannot be sold on reasonable terms, it may issue to the Secretary interim obligations which the Secretary is authorized to purchase. Notwithstanding the foregoing provisions of this subsection, obligations issued by the Corporation to the Secretary shall not exceed \$150,000,000 outstanding at any one time, shall mature on or before one year from date of issue, and shall bear interest equal to the average rate (rounded to the nearest one-eighth of a percent) on outstanding marketable obligations of the United States with maturities from dates of issue of one year or less as of the close of the month preceding the issuance of the obligations of the Corporation. If agreement is not reached within eight months concerning the issuance of any bonds which the Secretary has failed to approve, the Corporation may nevertheless proceed to sell such bonds on any date thereafter without approval by the Secretary in amount sufficient to retire the interim obligations issued to the Treasury and such interim obligations shall be retired from the proceeds of such bonds. For the purpose of any purchase of the Corporation's obligations the Secretary of the Treasury is authorized to use as a public debt transaction the proceeds from the sale of any securities issued under the Second Liberty Bond Act, as amended, and the purposes for which securities may be issued under the Second Liberty Bond Act, as amended, are extended to include any purchases of the Corporation's obligations hereunder. The Corporation may sell its bonds by negotiation or on the basis of competitive bids, subject to the right, if reserved, to reject all bids; may designate trustees, registrars, and paying agents in connection with said bonds and the issuance thereof; may arrange for audits of its accounts and for reports concerning its financial condition and operations by certified public accounting firms (which audits and reports shall be in addition to those required by sections 105 and 106 of the Act of December 6, 1945 (59 Stat. 599; 31 U.S.C. 850-851), may, subject to any covenants contained in any bond contract, invest the proceeds of any bonds and other funds under its control which derive from or pertain to its power program in any securities approved for investment of national bank funds and deposit said proceeds and other funds, subject to withdrawal by check or otherwise, in any Federal Reserve Bank or bank having membership in the Federal Reserve System; and may perform such other acts not prohibited by law as it deems necessary or desirable to accomplish the purposes of this section. Bonds issued by the Corporation hereunder shall contain a recital that they are issued pursuant to this section, and such recital shall be conclusive evidence of the regularity of the issuance and sale of such bonds and of their validity. The annual report of the Board filed pursuant to section 9 of this Act shall contain a detailed statement of the operation of the provisions of this section during the year.

The Secretary of the Treasury or any other officer or agency having authority over or control of any such fiduciary, trust, or public funds, may at any time sell any of the bonds of the Corporation acquired by them under this section. bond contract, the Corporation shall, beginning with fiscal year 1961, make payments into the Treasury as miscellaneous receipts on or before December 31 and June 30, of each fiscal year as a return on the appropriation investment in the Corporation's power facilities, plus a repayment sum of not less than \$10,000,000 for each of the first five fiscal years, \$15,000,000 for each of the next five fiscal years, and \$20,000,000 for each fiscal year thereafter, which repayment sum shall be applied to reduction of said appropriation investment until a total of \$1,000,000,000 of said appropriation investment shall have been repaid. The said appropriation investment shall consist, in any fiscal year, of that part of the Corporation's total investment assigned to power as of the beginning of the fiscal year (including both completed plant and construction in progress) which has been provided from appropriations or by transfers of property from other Government agencies without reimbursement by the Corporation, less repayments of such appropriation investment made under title II of the Government Corporations Appropriation Act, 1948, this Act, or other applicable legislation. The payment as a return on the appropriation investment in each fiscal year shall be equal to the computed average interest rate payable by the Treasury upon its total marketable public obligations as of the beginning of said fiscal year applied to said appropriation investment. Payments due hereunder may be deferred for not more than two years when, in the judgment of the Board of Directors of the Corporation, such payments cannot feasibly be made because of inadequacy of funds occasioned by drought, poor business conditions, emergency replacements, or other factors beyond the control of the Corporation.

Rates for sale of
power.

“(f) The Corporation shall charge rates for power which will produce gross revenues sufficient to provide funds for operation, maintenance, and administration of its power system; payments to States and counties in lieu of taxes; debt service on outstanding bonds, including provision and maintenance of reserve funds and other funds established in connection therewith; payments to the Treasury as a return on the appropriation investment pursuant to subsection (e) hereof; payment to the Treasury of the repayment sums specified in subsection (e) hereof; and such additional margin as the Board may consider desirable for investment in power system assets, retirement of outstanding bonds in advance of maturity, additional reduction of appropriation investment, and other purposes connected with the Corporation's power business, having due regard for the primary objectives of the Act, including the objective that power shall be sold at rates as low as are feasible. In order to protect the investment of holders of the Corporation's securities and the appropriation investment as defined in subsection (e) hereof, the Corporation, during each successive five-year period beginning with the five-year period which commences on July 1 of the first full fiscal year after the effective date of this section, shall apply net power proceeds either in reduction (directly or through payments into reserve or sinking funds) of its capital obligations, including bonds and the appropriation investment, or to reinvestment in power assets, at least to the extent of the combined amount of the aggregate of the depreciation accruals and other charges representing the amortization of capital expenditures applicable to its power properties plus the net proceeds realized from any disposition of power facilities in said period.

Power property.

“(g) Power generating and related facilities operated by the Corporation under lease and lease-purchase agreements shall constitute power property held by the Corporation within the meaning of section 13 of this Act, but that portion of the payment due for any fiscal year under said section 13 to a State where such facilities are located

which is determined or estimated by the Board to result from holding such facilities or selling electric energy generated thereby shall be reduced by the amount of any taxes or tax equivalents applicable to such fiscal year paid by the owners or others on account of said facilities to said State and to local taxing jurisdictions therein. In connection with the construction of a generating plant or other facilities under an agreement providing for lease or purchase of said facilities or any interest therein by or on behalf of the Corporation, or for the purchase of the output thereof, the Corporation may convey, in the name of the United States by deed, lease, or otherwise, any real property in its possession or control, may perform necessary engineering and construction work and other services, and may enter into any necessary contractual arrangements.

of 1959.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That this Act may be cited as the "Nematocide, Plant Regulator, Defoliant, and Desiccant Amendment of 1959".

SEC. 2. (A) The Federal Insecticide, Fungicide, and Rodenticide Act (61 Stat. 163; 7 U.S.C. 135-135k) is amended so that sections 2a and 2b read as follows:

"a. The term 'economic poison' means (1) any substance or mixture of substances intended for preventing, destroying, repelling, or mitigating any insects, rodents, nematodes, fungi, weeds, and other forms of plant or animal life or viruses, except viruses on or in living man or other animals, which the Secretary shall declare to be a pest, and (2) any substance or mixture of substances intended for use as a plant regulator, defoliant or desiccant.

"b. The term 'device' means any instrument or contrivance intended for trapping, destroying, repelling, or mitigating insects or rodents or destroying, repelling, or mitigating fungi, nematodes, or such other pests as may be designated by the Secretary, but not including equipment used for the application of economic poisons when sold separately therefrom."

7 USC 135.

(B) Section 2 of such Act is further amended by redesignating subsections g through u to be subsections l through z respectively; and by adding new subsections g, h, i, j, and k, and amending new subsections p and z, to read respectively as follows:

"g. The term 'nematocide' means any substance or mixture of substances intended for preventing, destroying, repelling, or mitigating nematodes.

"h. The term 'plant regulator' means any substance or mixture of substances, intended through physiological action, for accelerating or retarding the rate of growth or rate of maturation, or for otherwise altering the behavior of ornamental or crop plants or the produce thereof, but shall not include substances to the extent that they are intended as plant nutrients, trace elements, nutritional chemicals, plant inoculants, and soil amendments.

"i. The term 'defoliant' means any substance or mixture of substances intended for causing the leaves or foliage to drop from a plant, with or without causing abscission.

"j. The term 'desiccant' means any substance or mixture of substances intended for artificially accelerating the drying of plant tissue.

"k. The term 'nematode' means invertebrate animals of the phylum nemathelminthes and class nematoda, that is, unsegmented round worms with elongated, fusiform, or saclike bodies covered with cuticle, and inhabiting soil, water, plants or plant parts; may also be called nemas or eelworms.

"p. The term 'active ingredient' means—

"(1) in the case of an economic poison other than a plant regulator, defoliant or desiccant, an ingredient which will prevent, destroy, repel, or mitigate insects, nematodes, fungi, rodents, weeds, or other pests;

"(2) in the case of a plant regulator, an ingredient which, through physiological action, will accelerate or retard the rate of growth or rate of maturation or otherwise alter the behavior of ornamental or crop plants or the produce thereof;

"(4) in the case of a desiccant, an ingredient which will artificially accelerate the drying of plant tissue.

"z. The term 'misbranded' shall apply—

"(1) to any economic poison or device if its labeling bears any statement, design, or graphic representation relative thereto or to its ingredients which is false or misleading in any particular;

"(2) to any economic poison—

"(a) if it is an imitation of or is offered for sale under the name of another economic poison;

"(b) if its labeling bears any reference to registration under this Act;

"(c) if the labeling accompanying it does not contain directions for use which are necessary and if complied with adequate for the protection of the public;

"(d) if the label does not contain a warning or caution statement which may be necessary and if complied with adequate to prevent injury to living man and other vertebrate animals, vegetation, and useful invertebrate animals;

"(e) if the label does not bear an ingredient statement on that part of the immediate container and on the outside container or wrapper, if there be one, through which the ingredient statement on the immediate container cannot be clearly read, of the retail package which is presented or displayed under customary conditions of purchase: *Provided*, That the Secretary may permit the ingredient statement to appear prominently on some other part of the container, if the size or form of the container makes it impracticable to place it on the part of the retail package which is presented or displayed under customary conditions of purchase;

"(f) if any word, statement, or other information required by or under authority of this Act to appear on the label or labeling is not prominently placed thereon with such conspicuousness (as compared with other words, statements, designs, or graphic matter in the labeling) and in such terms as to render it likely to be read and understood by the ordinary individual under customary conditions of purchase and use; or

"(g) if in the case of an insecticide, nematocide, fungicide, or herbicide when used as directed or in accordance with commonly recognized practice it shall be injurious to living man or other vertebrate animals, or vegetation, except weeds, to which it is applied, or to the person applying such economic poison; or

"(h) if in the case of a plant regulator, defoliant, or desiccant when used as directed it shall be injurious to living man or other vertebrate animals, or vegetation to which it is applied, or to the person applying such economic poison: *Provided*, That physical or physiological effects on plants or parts thereof shall not be deemed to be injury, when this is the purpose for which the plant regulator, defoliant, or desiccant was applied, in accordance with the label claims and recommendations."

Res. 407 (Public Resolution Numbered 64), for a period of two years and thereafterwards said compact was extended by Governors of the compacting States and Congress gave its consent thereto as follows: by S.J. Res. 183 (Public Resolution Numbered 57); by H.J. Res. 329 (Public Resolution Numbered 31); by H.J. Res. 42 (Public Law Numbered 128); and by S.J. Res. 38 (Public Law Numbered 185), all for a period of four years, until September 1, 1959.

The agreement to extend and renew said compact for a period of four years from September 1, 1959, to September 1, 1963, duly executed by representatives of the States of Alabama, Arizona, Arkansas, Colorado, Florida, Indiana, Kentucky, Louisiana, Michigan, Mississippi, Montana, Nebraska, Nevada, New Mexico, New York, North Dakota, Ohio, Oklahoma, Pennsylvania, South Dakota, Tennessee, Texas, Utah, Washington, West Virginia, and Wyoming, has been deposited in the Department of State of the United States, and reads as follows:

**“AN AGREEMENT TO EXTEND THE INTERSTATE
COMPACT TO CONSERVE OIL AND GAS**

“WHEREAS, on the 16th day of February, 1935, in the City of Dallas, Texas, there was executed ‘AN INTERSTATE COMPACT TO CONSERVE OIL AND GAS’ which was thereafter formally ratified and approved by the states of Oklahoma, Texas, New Mexico, Illinois, Colorado, and Kansas, the original of which is now on deposit with the Department of State of the United States, a true copy of which follows:

“AN INTERSTATE COMPACT TO CONSERVE OIL
AND GAS

“ARTICLE I

“This agreement may become effective within any compacting state at any time as prescribed by that state, and shall become effective within those states ratifying it whenever any three of the States of Texas, Oklahoma, California, Kansas, and New Mexico have ratified and Congress has given its consent. Any oil-producing state may become a party hereto as hereinafter provided.

“ARTICLE II

“The purpose of this compact is to conserve oil and gas by the prevention of physical waste thereof from any cause.

“ARTICLE III

“Each state bound hereby agrees that within a reasonable time it will enact laws, or if the laws have been enacted, then it agrees to continue the same in force, to accomplish within reasonable limits the prevention of:

“(a) The operation of any oil well with an inefficient gas-oil ratio.

“(b) The drowning with water of any stratum capable of producing oil or gas, or both oil and gas, in paying quantities.

“(c) The avoidable escape into the open air or the wasteful burning of gas from a natural gas well.

“(d) The creation of unnecessary fire hazards.

“(e) The drilling, equipping, locating, spacing, or operating of a well or wells so as to bring about physical waste of oil or gas or loss in the ultimate recovery thereof.

“(f) The inefficient, excessive, or improper use of the reservoir energy in producing any well.

“The enumeration of the foregoing subjects shall not limit the scope of the authority of any state.

“ARTICLE IV

“Each state bound hereby agrees that it will, within a reasonable time, enact statutes, or if such statutes have been enacted then that it will continue the same in force, providing in effect that oil produced in violation of its valid oil and/or gas conservation statutes or any valid rule, order or regulation promulgated thereunder, shall be denied access to commerce; and providing for stringent penalties for the waste of either oil or gas.

“ARTICLE V

“It is not the purpose of this compact to authorize the states joining herein to limit the production of oil or gas for the purpose of stabilizing or fixing the price thereof, or create or perpetuate monopoly, or to promote regimentation, but is limited to the purpose of conserving oil and gas and preventing the avoidable waste thereof within reasonable limitations.

“ARTICLE VI

“Each state joining herein shall appoint one representative to a commission hereby constituted and designated as

““THE INTERSTATE OIL COMPACT COMMISSION.”

the duty of which said commission shall be to make inquiry and ascertain from time to time such methods, practices, circumstances, and conditions as may be disclosed for bringing about conservation and the prevention of physical waste of oil and gas, and at such intervals as said commission deems beneficial it shall report its findings and recommendations to the several States for adoption or rejection.

“The Commission shall have power to recommend the coordination of the exercise of the police powers of the several states within their several jurisdictions to promote the maximum ultimate recovery from the petroleum reserves of said states, and to recommend measures for the maximum ultimate recovery of oil and gas. Said Commission shall organize and adopt suitable rules and regulations for the conduct of its business.

“No action shall be taken by the Commission except: (1) by the affirmative votes of the majority of the whole number of the compacting States represented at any meeting, and (2) by a concurring vote of a majority in interest of the compacting States at said meeting, such interest to be determined as follows: such vote of each State shall be in the decimal proportion fixed by the ratio of its daily average production during the preceding calendar half-year to the daily average production of the compacting States during said period.

“ARTICLE VII

“No State by joining herein shall become financially obligated to any other State, nor shall the breach of the terms hereof by any State subject such State to financial responsibility to the other States joining herein.

“ARTICLE VIII

“This compact shall expire September 1, 1937. But any State joining herein may, upon sixty (60) days notice, withdraw herefrom.

“The representatives of the signatory States have signed this agreement in a single original which shall be deposited in the archives of the Department of State of the United States, and a duly certified copy shall be forwarded to the Governor of each of the signatory states.

“This compact shall become effective when ratified and approved as provided in Article I. Any oil-producing State may become a party hereto by affixing its signature to a counterpart to be similarly deposited, certified, and ratified.

“WHEREAS, the said Interstate Compact to Conserve Oil and Gas has heretofore been duly renewed and extended with the consent of the Congress to September 1, 1955; and

“WHEREAS, it is desired to renew and extend the said Interstate Compact to Conserve Oil and Gas for a period of four (4) years from September 1, 1959, to September 1, 1963:

“NOW, THEREFORE, THIS WRITING WITNESSETH:

“It is hereby agreed that the Compact entitled

“AN INTERSTATE COMPACT TO CONSERVE OIL AND GAS’ executed in the City of Dallas, Texas, on the 16th of February, 1935, and now on deposit with the Department of State of the United States, a correct copy of which appears above, be, and the same hereby

is, extended for a period of four (4) years from September 1, 1959, its present date of expiration, to September 1, 1963. This agreement shall become effective when executed, ratified, and approved as provided in Article I of the Original Compact.

"The signatory States have executed this agreement in a single original which shall be deposited in the archives of the Department of State of the United States and a duly certified copy thereof shall be forwarded to the Governor of each of the signatory States. Any oil-producing state may become a party hereto by executing a counterpart of this agreement to be similarly deposited, certified and ratified.

"EXECUTED by the several undersigned states, at their several state capitols, through their proper officials on the dates as shown, as duly authorized by statutes and resolutions, subject to the limitations and qualifications of the acts of the respective State Legislatures.

the President may exempt those contracts from the requirements of that section.

If the opinion of the Attorney General is that the title to any such property is good and sufficient, the Secretary of Defense is authorized to guarantee, or enter into a commitment to guarantee, the mortgagee, under a mortgage on such property which is insured under title VIII of the National Housing Act, against any losses that may thereafter arise from adverse claims to title. None of the proceeds of any mortgage loan hereafter insured under such title VIII shall be used for title search and title insurance costs: *Provided*, That if the Secretary of Defense, or his designee, determines in the case of any housing project, that the financing of the construction of such project is impossible unless title insurance is provided, the Secretary may provide for the payment of the reasonable costs necessary for obtaining title search and title insurance. Any payments by the Secretary hereunder shall be made from the revolving fund established under section 404(g). Any determination by the Secretary under the foregoing proviso shall be set forth in writing, together with the reasons therefor. [H. R. 4413]

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That (a) the Secretary of the Navy may, whenever the needs of the service require, convene selection boards, or direct boards convened under chapter 543 of title 10, United States Code, to recommend for continuation on the active list officers of the Regular Navy and the Regular Marine

Corps described in subsection (c) and shall convene or direct such boards to recommend for continuation on the active list officers of the Regular Navy and the Regular Marine Corps described in subsections (e)–(g). Except as otherwise provided in this section, the provisions of chapter 543 of title 10, United States Code (other than section 5701(e)), concerning boards to recommend captains, commanders, colonels, or lieutenant colonels for promotion, apply to each board convened under this subsection.

(b) Each board convened under subsection (a) to consider captains in the Medical Service Corps or the Nurse Corps shall consist of not less than three or more than nine officers on the active list or the retired list of the Regular Navy in the grade of captain or above, two-thirds of whom are officers in the Medical Corps and one-third of whom are officers in the corps concerned. To be eligible for membership on such a board, an officer on the active list in the Medical Service Corps or the Nurse Corps must have been recommended for continuation on the active list by an earlier board convened under this section. When there is an insufficient number of officers of the Medical Service Corps or the Nurse Corps available to serve, the Secretary shall complete the minimum required membership by appointing as members of the board officers of the Regular Navy in the Medical Corps.

(c) Each officer of the Regular Navy or the Regular Marine Corps who has served on active duty for more than five years, who is not on a promotion list, and who will complete at least five years of service in the grade of captain in the Navy or colonel in the Marine Corps by June 30 of the fiscal year in which a board is convened under this section is eligible for consideration for continuation on the active list by that board. An officer who has once been recommended for continuation while serving in the grade of captain or colonel by such a board may not be considered by a subsequent board convened under this section and is not subject to the provisions of subsection (e) or (f). For purposes of this subsection, an officer is considered as serving in the grade of captain in the Navy or colonel in the Marine Corps from the date of rank assigned him upon appointment to that grade under chapter 539 or 545 of title 10, United States Code, until the effective date of his appointment in the next higher grade under chapter 545 of title 10, United States Code.

(d) When the Secretary convenes a board under this section to consider any category of officers described in subsection (c) or (e), he shall establish a continuation zone for that category. The continuation zone for each category shall include such number of officers as the Secretary determines to be necessary to best meet the needs of the service. The senior officer in a continuation zone, for each category of officers, shall be designated by the Secretary. When the Secretary convenes a board to consider for continuation a category of officers for which a continuation board has been previously convened, the senior officer for that category shall be the officer next junior to the most junior officer of that category considered for continuation by the preceding board. The junior officer in each continuation zone shall be designated by the Secretary. In each category, all officers junior to the senior officer and senior to the junior officer in a continuation zone shall be in the continuation zone for that category. Only officers who are in a continuation zone may be considered for continuation by a selection board.

(e) Each officer not restricted in the performance of duty serving in the grade of captain on the active list in the line of the Regular Navy, each officer serving in the grade of captain on the active list of the Regular Navy in the Supply Corps, the Chaplain Corps, or the Civil Engineer Corps, and each officer not restricted in the per-

(f) Each officer designated for supply duty serving in the grade of colonel on the active list of the Regular Marine Corps who is not on a promotion list, who has not been previously recommended for continuation in the approved report of a board, and who will complete at least twenty-seven years of total commissioned service, as computed under section 6387 of title 10, United States Code, by June 30 of the fiscal year in which a board is convened under this section is eligible for consideration for continuation on the active list by that board.

70A Stat. 408.

(g) Each officer on the active list of the Regular Navy or the Regular Marine Corps serving in the grade of commander or lieutenant colonel (except an officer designated for limited duty, an officer in the Nurse Corps, or a woman officer appointed under section 5590 of title 10, United States Code) who is not on a promotion list, who has not been previously recommended for continuation in the approved report of a board, and who has at least twice failed of selection for promotion to the grade of captain in the Navy or colonel in the Marine Corps is eligible for consideration for continuation on the active list by a board convened under this section.

70A Stat. 327.

(h) The Secretary shall furnish the appropriate selection board convened under this section with the names of the officers who shall be considered by the board and, based on the needs of the service, the number of these officers by categories that may be recommended for continuation on the active list. Of the officers considered for continuation by each selection board, the board shall recommend those officers whom the board considers best qualified for continuation on the active list. Each board shall certify in its written report that in the opinion of at least two-thirds of the acting members of the board the officers recommended are selected as best qualified for continued service on the active list. Of the officers considered but not recommended for continuation on the active list the board shall further report the names of any officers whose performance of duty would not warrant retention on the active list under any circumstances. Each board shall certify in its written report that in the opinion of two-thirds of the acting members of the board, based on the information available to the board, the performance of duty of each such officer whose name is so reported would not warrant retention on the active list under any circumstances. The report of each board shall be submitted to the President and shall become final upon his approval.

(i) Unless sooner selected for promotion to the next higher grade, each officer who is considered for continuation on the active list by a board convened under this section and who is not recommended for continuation in the approved report of the board, shall, notwithstanding any other provision of law except subsection (j) or (k), be retired on June 30 of the fiscal year in which the report of the board is approved or in which he completes 20 years of total commissioned service, as computed under section 6387 or 6388 of title 10, United States Code, whichever is later.

70A Stat. 408,
409.

(j) An officer in a grade below rear admiral on the active list of the Regular Navy who has the rank of rear admiral while serving in a statutory office and who would be retired under this Act may have

his date of retirement deferred by the Secretary during the period the officer has the rank of rear admiral and has not attained the age of sixty-two years.

(k) If the report of a board that considers officers for continuation on the active list under this section is approved less than six months before the end of the fiscal year, the retirement of officers who were considered but not recommended for continuation by that board shall be deferred until the first day of the seventh month following the month in which the report of the board is approved.

SEC. 2. (a) An officer who is retired under this Act, unless otherwise entitled to a higher retired grade or higher retired pay, shall be retired in the grade in which he was serving at the time of retirement and is entitled to retired pay at the rate of $2\frac{1}{2}$ percent of the basic pay to which he would be entitled if serving on active duty in the grade in which retired multiplied by the number of years of service that may be credited to him under section 1405 of title 10, United States Code.

72 Stat. 130,
1451.

(b) The retired pay of any officer retired under this Act may not be less than 50 percent or more than 75 percent of the basic pay upon which the computation of retired pay is based.

(c) In determining the total number of years of service to be used as a multiplier in computing retired pay under subsection (b), and in determining the resultant number of years of early retirement under subsection (d), a part of a year that is six months or more is counted as a whole year and a part of a year that is less than six months is disregarded.

(d) An officer who on the date of enactment of this Act is serving in the grade of captain or commander in the Regular Navy or colonel or lieutenant colonel in the Regular Marine Corps or is on a promotion list for promotion to one of those grades, who is not thereafter recommended for promotion to a higher grade, and whose name has not been reported in the approved report of a board in compliance with subsection 1(h) of this Act, and who is retired under this Act shall be paid, in addition to his retired pay, a lump-sum payment of \$2,000, effective on the date of his retirement.

(e) An officer who has the qualifications specified in subsection (d) and who has been considered but not recommended for continuation on the active list pursuant to section 1 of this Act shall be considered for the purpose of subsection (d) as being retired under this Act if the officer retires voluntarily prior to the date specified for his retirement under this Act.

An officer who is included within a zone of consideration but is not within or senior to a promotion zone and who is not selected for promotion is not considered as having failed of selection for any purpose.

"SEC. 33. (a) If on account of a disability or death for which compensation is payable under this Act the person entitled to such compensation determines that some person other than the employer or a person or persons in his employ is liable in damages, he need not elect whether to receive such compensation or to recover damages against such third person.

To amend the Agricultural Adjustment Act of 1938, as amended, with respect to the preservation of acreage history and the reallocation of unused cotton acreage allotments.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That section 377 of the Agricultural Adjustment Act of 1938, as amended, is amended to read as follows:

"SEC. 377. In any case in which, during any year beginning with 1956, the acreage planted to a commodity on any farm is less than the acreage allotment for such farm, the entire acreage allotment for such farm (excluding any allotment released from the farm or reapportioned to the farm and any allotment provided for the farm pursuant to subsection (f)(7)(A) of section 344) shall, except as provided herein, be considered for the purpose of establishing future State, county and farm acreage allotments to have been planted to such commodity in such year on such farm, but the 1956 acreage allotment of any commodity shall be regarded as planted under this section only if the owner or operator on such farm notified the county committee prior to the sixtieth day preceding the beginning of the marketing year for such commodity of his desire to preserve such allotment: *Provided*, That beginning with the 1960 crop, except for federally owned land, the current farm acreage allotment established for a commodity shall not be preserved as history acreage pursuant to the provisions of this section unless for the current year or either of the two preceding years an acreage equal to 75 per centum or more of the farm acreage allotment for such year was actually planted or devoted to the commodity on the farm (or was regarded as planted under provisions of the Soil Bank Act or the Great Plains program): *Provided further*, That this section shall not be applicable in any case, within the period 1956 to 1959, in which the amount of the commodity required to be stored to postpone or avoid payment of penalty has been reduced because the allotment was not fully planted. Acreage history credits for released or reapportioned acreage shall be governed by the applicable provisions of this title pertaining to the release and reapportionment of acreage allotments."

SEC. 2. Section 344 of the Agricultural Adjustment Act of 1938, as amended, is amended as follows:

(1) Subsection (f) is amended by changing paragraph (8) thereof to read as follows:

"(8) Notwithstanding the foregoing provisions of paragraphs (2) and (6) of this subsection, the Secretary shall, if allotments were in effect the preceding year, provide for the county acreage allotment for the 1959 and succeeding crops of cotton, less the acreage reserved under paragraph (3) of this subsection, to be apportioned to farms on which cotton has been planted in any one of the three years immediately preceding the year for which such allotment is determined, on the basis of the farm acreage allotment for the year immediately preceding the year for which such apportionment is made, adjusted as may be necessary (i) for any change in the acreage of cropland available for the production of cotton, or (ii) to meet the requirements of any provision (other than those contained in paragraphs (2) and (6)) with respect to the counting of acreage for history purposes: *Provided*, That, beginning with allotments established for the 1961 crop of cotton, if the acreage actually planted

The base for a farm shall not be adjusted as provided in this paragraph if the county committee determines that failure to plant at least 75 per centum of the farm allotment was due to conditions beyond the control of producers on the farm. The Secretary shall establish limitations to prevent allocations of allotment to farms not affected by the foregoing proviso, which would be excessive on the basis of the cropland, past cotton acreage, allotments for other commodities, and good soil conservation practices on such farms."

Repeal.

(2) Paragraph (3) of subsection (g) is hereby repealed.

(3) Subsection (i) is amended by adding the following at the end thereof: "Notwithstanding any other provision of this Act, beginning with the 1960 crop the planting of cotton on a farm in any of the immediately preceding three years that allotments were in effect but no allotment was established for such farm for any year of such three-year period shall not make the farm eligible for an allotment as an old farm under subsection (f) of this section: *Provided, however,* That by reason of such planting the farm need not be considered as ineligible for a new farm allotment under subsection (f) (3) of this section."

Allotment re-
lease.

(4) Paragraph (2) of subsection (m) is changed to read as follows:

"(2) Any part of any farm cotton acreage allotment on which cotton will not be planted and which is voluntarily surrendered to the county committee shall be deducted from the allotment to such farm and may be reapportioned by the county committee to other farms in the same county receiving allotments in amounts determined by the county committee to be fair and reasonable on the basis of past acreage of cotton, land, labor, equipment available for the production of cotton, crop rotation practices, and soil and other physical facilities affecting the production of cotton. If all of the allotted acreage voluntarily surrendered is not needed in the county, the county committee may surrender the excess acreage to the State committee to be used for the same purposes as the State acreage reserve under subsection (e) of this section. Any allotment released under this provision shall be regarded for the purposes of establishing future allotments as having been planted on the farm and in the county where the release was made rather than on the farm and in the county to which the allotment was transferred, except that this shall not operate to make the farm from which the allotment was transferred eligible for an allotment as having cotton planted thereon during the three-year base period: *Provided,* That notwithstanding any other provisions of law, any part of any farm acreage allotment may be permanently released in writing to the county committee by the owner and operator of the farm, and reapportioned as provided herein. Acreage released under this paragraph shall be credited to the State in determining future allotments. The provisions of this paragraph shall apply also to extra long staple cotton covered by section 347 of this Act (7 U.S.C. 1344(m))."

At any meeting held as hereinbefore provided administrators or executors of deceased shareholders may act and sign as the decedent might have done if living, and guardians of minors and trustees of other persons may so act and sign for their ward or wards or cestui que trust. SEC. 19. The fourth sentence of section 2 of the Federal Deposit Insurance Act (12 U.S.C. 1812) is amended to read as follows: "In the event of a vacancy in the office of the Comptroller of the Currency, and pending the appointment of his successor, or during the absence or disability of the Comptroller, the Acting Comptroller of the Currency shall be a member of the Board of Directors in the place and stead of the Comptroller."

Consolidation.
40 Stat. 1043.

SEC. 20. The text of the Act of November 7, 1918, as amended (12 U.S.C. 33, 34, 34a, 34b, and 34c), is amended to read as follows:

"That (a) any national banking association or any bank incorporated under the laws of any State may, with the approval of the Comptroller, be consolidated with one or more national banking associations located in the same State under the charter of a national banking association on such terms and conditions as may be lawfully agreed upon by a majority of the board of directors of each association or bank proposing to consolidate, and be ratified and confirmed

by the affirmative vote of the shareholders of each such association or bank owning at least two-thirds of its capital stock outstanding, or by a greater proportion of such capital stock in the case of such State bank if the laws of the State where it is organized so require, at a meeting to be held on the call of the directors after publishing notice of the time, place, and object of the meeting for four consecutive weeks in a newspaper of general circulation published in the place where the association or bank is located, or, if there is no such newspaper, then in the paper of general circulation published nearest thereto, and after sending such notice to each shareholder of record by certified or registered mail at least ten days prior to the meeting, except to those shareholders who specifically waive notice, but any additional notice shall be given to the shareholders of such State bank which may be required by the laws of the State where it is organized. Publication of notice may be waived, in cases where the Comptroller determines that an emergency exists justifying such waiver, by unanimous action of the shareholders of the association or State bank.

“(b) The consolidated association shall be liable for all liabilities of the respective consolidating banks or associations. The capital stock of such consolidated association shall not be less than that required under existing law for the organization of a national bank in the place in which it is located: *Provided*, That if such consolidation shall be voted for at such meetings by the necessary majorities of the shareholders of each association and State bank proposing to consolidate, and thereafter the consolidation shall be approved by the Comptroller, any shareholder of any of the associations or State banks so consolidated who has voted against such consolidation at the meeting of the association or bank of which he is a stockholder, or who has given notice in writing at or prior to such meeting to the presiding officer that he dissents from the plan of consolidation, shall be entitled to receive the value of the shares so held by him when such consolidation is approved by the Comptroller upon written request made to the consolidated association at any time before thirty days after the date of consummation of the consolidation, accompanied by the surrender of his stock certificates.

“(c) The value of the shares of any dissenting shareholder shall be ascertained, as of the effective date of the consolidation, by an appraisal made by a committee of three persons, composed of (1) one selected by the vote of the holders of the majority of the stock, the owners of which are entitled to payment in cash; (2) one selected by the directors of the consolidated banking association; and (3) one selected by the two so selected. The valuation agreed upon by any two of the three appraisers shall govern. If the value so fixed shall not be satisfactory to any dissenting shareholder who has requested payment, that shareholder may, within five days after being notified of the appraised value of his shares, appeal to the Comptroller, who shall cause a reappraisal to be made which shall be final and binding as to the value of the shares of the appellant.

Evaluation of
shares.

“(d) If, within ninety days from the date of consummation of the consolidation, for any reason one or more of the appraisers is not selected as herein provided, or the appraisers fail to determine the value of such shares, the Comptroller shall upon written request of any interested party cause an appraisal to be made which shall be final and binding on all parties. The expenses of the Comptroller in making the reappraisal or the appraisal, as the case may be, shall be paid by the consolidated banking association. The value of the shares ascertained shall be promptly paid to the dissenting shareholders by the consolidated banking association. Within thirty days after payment has been made to all dissenting shareholders as provided for in

this section the shares of stock of the consolidated banking association which would have been delivered to such dissenting shareholders had they not requested payment shall be sold by the consolidated banking association at an advertised public auction, unless some other method of sale is approved by the Comptroller, and the consolidated banking association shall have the right to purchase any of such shares at such public auction, if it is the highest bidder therefor, for the purpose of reselling such shares within thirty days thereafter to such person or persons and at such price not less than par as its board of directors by resolution may determine. If the shares are sold at public auction at a price greater than the amount paid to the dissenting shareholders the excess in such sale price shall be paid to such shareholders. The appraisal of such shares of stock in any State bank shall be determined in the manner prescribed by the law of the State in such cases, rather than as provided in this section, if such provision is made in the State law; and no such consolidation shall be in contravention of the law of the State under which such bank is incorporated.

“(e) The corporate existence of each of the consolidating banks or banking associations participating in such consolidation shall be merged into and continued in the consolidated national banking association and such consolidated national banking association shall be deemed to be the same corporation as each bank or banking association participating in the consolidation. All rights, franchises, and interests of the individual consolidating banks or banking associations in and to every type of property (real, personal, and mixed) and choses in action shall be transferred to and vested in the consolidated national banking association by virtue of such consolidation without any deed or other transfer. The consolidated national banking association, upon the consolidation and without any order or other action on the part of any court or otherwise, shall hold and enjoy all rights of property, franchises, and interests, including appointments, designations, and nominations, and all other rights and interests as trustee, executor, administrator, registrar of stocks and bonds, guardian of estates, assignee, receiver, and committee of estates of lunatics, and in every other fiduciary capacity, in the same manner and to the same extent as such rights, franchises, and interests were held or enjoyed by any one of the consolidating banks or banking associations at the time of consolidation, subject to the conditions hereinafter provided.

Fiduciary capacity, jurisdiction.

“(f) Where any consolidating bank or banking association, at the time of the consolidation, was acting under appointment of any court as trustee, executor, administrator, registrar of stocks and bonds, guardian of estates, assignee, receiver, or committee of estates of lunatics, or in any other fiduciary capacity, the consolidated national banking association shall be subject to removal by a court of competent jurisdiction in the same manner and to the same extent as was such consolidating bank or banking association prior to the consolidation. Nothing contained in this section shall be considered to impair in any manner the right of any court to remove the consolidated national banking association and to appoint in lieu thereof a substitute trustee, executor, or other fiduciary, except that such right shall not be exercised in such a manner as to discriminate against national banking associations, nor shall any consolidated national banking association be removed solely because of the fact that it is a national banking association.

“(g) Stock of the consolidated national banking association may be issued as provided by the terms of the consolidation agreement, free from any preemptive rights of the shareholders of the respective consolidating banks.

"SEC. 2. (a) One or more national banking associations or one or more State banks, with the approval of the Comptroller, under an agreement not inconsistent with this Act, may merge into a national banking association located within the same State, under the charter of the receiving association. The merger agreement shall—

Merger agree-
ments.

"(1) be agreed upon in writing by a majority of the board of directors of each association or State bank participating in the plan of merger;

"(2) be ratified and confirmed by the affirmative vote of the shareholders of each such association or State bank owning at least two-thirds of its capital stock outstanding, or by a greater proportion of such capital stock in the case of a State bank if the laws of the State where it is organized so require, at a meeting to be held on the call of the directors, after publishing notice of the time, place, and object of the meeting for four consecutive weeks in a newspaper of general circulation published in the place where the association or State bank is located, or, if there is no such newspaper, then in the newspaper of general circulation published nearest thereto, and after sending such notice to each shareholder of record by certified or registered mail at least ten days prior to the meeting, except to those shareholders who specifically waive notice, but any additional notice shall be given to the shareholders of such State bank which may be required by the laws of the State where it is organized. Publication of notice may be waived, in cases where the Comptroller determines that an emergency exists justifying such waiver, by unanimous action of the shareholders of the association or State bank;

"(3) specify the amount of the capital stock of the receiving association, which shall not be less than that required under existing law for the organization of a national bank in the place in which it is located and which will be outstanding upon completion of the merger, the amount of stock (if any) to be allocated, and cash (if any) to be paid, to the shareholders of the association or State bank being merged into the receiving association; and

"(4) provide that the receiving association shall be liable for all liabilities of the association or State bank being merged into the receiving association.

"(b) If a merger shall be voted for at the called meetings by the necessary majorities of the shareholders of each association or State bank participating in the plan of merger, and thereafter the merger shall be approved by the Comptroller, any shareholder of any association or State bank to be merged into the receiving association who has voted against such merger at the meeting of the association or bank of which he is a stockholder, or has given notice in writing at or prior to such meeting to the presiding officer that he dissents from the plan of merger, shall be entitled to receive the value of the shares so held by him when such merger shall be approved by the Comptroller upon written request made to the receiving association at any time before thirty days after the date of consummation of the merger, accompanied by the surrender of his stock certificates.

"(c) The value of the shares of any dissenting shareholder shall be ascertained, as of the effective date of the merger, by an appraisal made by a committee of three persons, composed of (1) one selected by the vote of the holders of the majority of the stock, the owners of which are entitled to payment in cash; (2) one selected by the directors of the receiving association; and (3) one selected by the two so selected. The valuation agreed upon by any two of the three appraisers shall govern. If the value so fixed shall not be satisfactory to any dissent-

ing shareholder who has requested payment, that shareholder may, within five days after being notified of the appraised value of his shares, appeal to the Comptroller, who shall cause a reappraisal to be made which shall be final and binding as to the value of the shares of the appellant.

"(d) If, within ninety days from the date of consummation of the merger, for any reason one or more of the appraisers is not selected as herein provided, or the appraisers fail to determine the value of such shares, the Comptroller shall upon written request of any interested party cause an appraisal to be made which shall be final and binding on all parties. The expenses of the Comptroller in making the reappraisal or the appraisal, as the case may be, shall be paid by the receiving association. The value of the shares ascertained shall be promptly paid to the dissenting shareholders by the receiving association. The shares of stock of the receiving association which would have been delivered to such dissenting shareholders had they not requested payment shall be sold by the receiving association at an advertised public auction, and the receiving association shall have the right to purchase any of such shares at such public auction, if it is the highest bidder therefor, for the purpose of reselling such shares within thirty days thereafter to such person or persons and at such price not less than par as its board of directors by resolution may determine. If the shares are sold at public auction at a price greater than the amount paid to the dissenting shareholders, the excess in such sale price shall be paid to such dissenting shareholders. The appraisal of such shares of stock in any State bank shall be determined in the manner prescribed by the law of the State in such cases, rather than as provided in this section, if such provision is made in the State law; and no such merger shall be in contravention of the law of the State under which such bank is incorporated. The provisions of this subsection shall apply only to shareholders of (and stock owned by them in) a bank or association being merged into the receiving association.

"(e) The corporate existence of each of the merging banks or banking associations participating in such merger shall be merged into and continued in the receiving association and such receiving association shall be deemed to be the same corporation as each bank or banking association participating in the merger. All rights, franchises, and interests of the individual merging banks or banking associations in and to every type of property (real, personal, and mixed) and choses in action shall be transferred to and vested in the receiving association by virtue of such merger without any deed or other transfer. The receiving association, upon the merger and without any order or other action on the part of any court or otherwise, shall hold and enjoy all rights of property, franchises, and interests, including appointments, designations, and nominations, and all other rights and interests as trustee, executor, administrator, registrar of stocks and bonds, guardian of estates, assignee, receiver, and committee of estates of lunatics, and in every other fiduciary capacity, in the same manner and to the same extent as such rights, franchises, and interests were held or enjoyed by any one of the merging banks or banking associations at the time of the merger, subject to the conditions hereinafter provided.

Fiduciary capacity, jurisdiction.

"(f) Where any merging bank or banking association, at the time of the merger, was acting under appointment of any court as trustee, executor, administrator, registrar of stocks and bonds, guardian of estates, assignee, receiver, or committee of estates of lunatics, or in any other fiduciary capacity, the receiving association shall be subject to removal by a court of competent jurisdiction in the same manner and to the same extent as was such merging bank or banking association prior

to the merger. Nothing contained in this section shall be considered to impair in any manner the right of any court to remove the receiving association and to appoint in lieu thereof a substitute trustee, executor, or other fiduciary, except that such right shall not be exercised in such a manner as to discriminate against national banking associations, nor shall any receiving association be removed solely because of the fact that it is a national banking association.

authorization.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That the Secretary of the Interior is authorized to construct, operate, and maintain the Bully Creek Dam, Reservoir, and related minor facilities as features of the Vale Federal reclamation project, Oregon. In so doing, he shall be governed by the Federal reclamation laws (Act of June 17, 1902, 32 Stat. 388, and Acts amendatory thereof or supplementary thereto). Said construction, however, shall not be commenced until the Vale Oregon Irrigation District shall have obligated itself to repay such portions of the Federal costs of constructing, operating, and maintaining the facilities herein authorized as the Secretary finds properly allocable to irrigation: *Provided*, That the period provided in subsection (d) of section 9 of the Reclamation Project Act of 1939, as amended, for repayment of the construction costs assigned to be repaid by the irrigators may be extended to fifty years.

SEC. 2. (a) The Secretary is authorized, in connection with the works herein authorized, to construct basic public recreation facilities and to arrange for the operation and maintenance of the same by an appropriate State or local agency or organization. He is also authorized to acquire approximately ten acres of land near Bully Creek Dam for recreation purposes.

(b) In addition to those costs of constructing the works authorized in this Act which the Secretary finds to be properly allocable to flood control, recreation, and the preservation and propagation of fish and wildlife, those costs of operating and maintaining the works, or the reasonable capitalized value of the equivalent thereof, which are allocated by the Secretary to these purposes shall be nonreimbursable and nonreturnable under the reclamation laws. Before the works are transferred to the Vale Oregon Irrigation District for care, operation, and maintenance, the district shall have agreed to operate them in such fashion, satisfactory to the Secretary, as to achieve the benefits on which these allocations are predicated and to return the works to the United States for care, operation, and maintenance in the event of failure to comply with its requirements to achieve such benefits.

SEC. 3. There is hereby authorized to be appropriated for construction of the Bully Creek extension of the Vale Federal reclamation project the sum of \$3,326,000 plus or minus such amounts, if any, as may be justified by reason of ordinary fluctuations in the costs of construction as indicated by engineering cost indexes applicable to the type of construction involved herein. There are also authorized to be appropriated such sums as may be required for the operation and maintenance of said works.

SEC. 4. That the modification of the Gulf Intracoastal Waterway-Channel to Port Mansfield, Texas, is hereby authorized substantially in accordance with the recommendations of the Chief of Engineers contained in Senate Document 11, of the Eighty-sixth Congress, at an estimated cost of \$3,431,000.

To provide for the reporting and disclosure of certain financial transactions and administrative practices of labor organizations and employers, to prevent abuses in the administration of trusteeships by labor organizations, to provide standards with respect to the election of officers of labor organizations, and for other purposes.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

SHORT TITLE

SECTION 1. This Act may be cited as the "Labor-Management Reporting and Disclosure Act of 1959".

DECLARATION OF FINDINGS, PURPOSES, AND POLICY

SEC. 2. (a) The Congress finds that, in the public interest, it continues to be the responsibility of the Federal Government to protect employees' rights to organize, choose their own representatives, bargain collectively, and otherwise engage in concerted activities for their mutual aid or protection; that the relations between employers and labor organizations and the millions of workers they represent have a substantial impact on the commerce of the Nation; and that in order to accomplish the objective of a free flow of commerce it is essential that labor organizations, employers, and their officials adhere to the highest standards of responsibility and ethical conduct in administering the affairs of their organizations, particularly as they affect labor-management relations.

(b) The Congress further finds, from recent investigations in the labor and management fields, that there have been a number of instances of breach of trust, corruption, disregard of the rights of individual employees, and other failures to observe high standards of responsibility and ethical conduct which require further and supplementary legislation that will afford necessary protection of the rights and interests of employees and the public generally as they relate to the activities of labor organizations, employers, labor relations consultants, and their officers and representatives.

(c) The Congress, therefore, further finds and declares that the enactment of this Act is necessary to eliminate or prevent improper practices on the part of labor organizations, employers, labor relations consultants, and their officers and representatives which distort and defeat the policies of the Labor Management Relations Act, 1947, as amended, and the Railway Labor Act, as amended, and have the tendency or necessary effect of burdening or obstructing commerce by (1) impairing the efficiency, safety, or operation of the instrumentalities of commerce; (2) occurring in the current of commerce; (3) materially affecting, restraining, or controlling the flow of raw materials or manufactured or processed goods into or from the channels of commerce, or the prices of such materials or goods in commerce; or (4) causing diminution of employment and wages in such volume as substantially to impair or disrupt the market for goods flowing into or from the channels of commerce.

REPORT OF EMPLOYERS

SEC. 203. (a) Every employer who in any fiscal year made—

(1) any payment or loan, direct or indirect, of money or other thing of value (including reimbursed expenses), or any promise or agreement therefor, to any labor organization or officer, agent, shop steward, or other representative of a labor organization, or employee of any labor organization, except (A) payments or loans made by any national or State bank, credit union, insurance company, savings and loan association or other credit institution and (B) payments of the kind referred to in section 302(c) of the Labor Management Relations Act, 1947, as amended;

(3) any expenditure, during the fiscal year, where an object thereof, directly or indirectly, is to interfere with, restrain, or coerce employees in the exercise of the right to organize and bargain collectively through representatives of their own choosing, or is to obtain information concerning the activities of employees or a labor organization in connection with a labor dispute involving such employer, except for use solely in conjunction with an administrative or arbitral proceeding or a criminal or civil judicial proceeding;

(4) any agreement or arrangement with a labor relations consultant or other independent contractor or organization pursuant to which such person undertakes activities where an object thereof, directly or indirectly, is to persuade employees to exercise or not to exercise, or persuade employees as to the manner of exercising, the right to organize and bargain collectively through representatives of their own choosing, or undertakes to supply such employer with information concerning the activities of employees or a labor organization in connection with a labor dispute involving such employer, except information for use solely in conjunction with an administrative or arbitral proceeding or a criminal or civil judicial proceeding; or

(5) any payment (including reimbursed expenses) pursuant to an agreement or arrangement described in subdivision (4); shall file with the Secretary a report, in a form prescribed by him, signed by its president and treasurer or corresponding principal officers showing in detail the date and amount of each such payment, loan, promise, agreement, or arrangement and the name, address, and position, if any, in any firm or labor organization of the person to whom it was made and a full explanation of the circumstances of all such payments, including the terms of any agreement or understanding pursuant to which they were made.

(b) Every person who pursuant to any agreement or arrangement with an employer undertakes activities where an object thereof is, directly or indirectly—

(1) to persuade employees to exercise or not to exercise, or persuade employees as to the manner of exercising, the right to organize and bargain collectively through representatives of their own choosing; or

(2) to supply an employer with information concerning the activities of employees or a labor organization in connection with a labor dispute involving such employer, except information for use solely in conjunction with an administrative or arbitral proceeding or a criminal or civil judicial proceeding;

shall file within thirty days after entering into such agreement or arrangement a report with the Secretary, signed by its president and treasurer or corresponding principal officers, containing the name under which such person is engaged in doing business and the address of its principal office, and a detailed statement of the terms and conditions of such agreement or arrangement. Every such person shall file annually, with respect to each fiscal year during which payments were made as a result of such an agreement or arrangement, a report with the Secretary, signed by its president and treasurer or corresponding principal officers, containing a statement (A) of its receipts of any kind from employers on account of labor relations advice or services, designating the sources thereof, and (B) of its disbursements of any kind, in connection with such services and the purposes thereof. In each such case such information shall be set forth in such categories as the Secretary may prescribe.

Nothing contained in this section shall be construed to require any other person to file a report under subsection (b) unless he was a party to an agreement or arrangement of the kind described therein.

(e) Nothing contained in this section shall be construed to require any regular officer, supervisor, or employee of an employer to file a report in connection with services rendered to such employer nor shall any employer be required to file a report covering expenditures made to any regular officer, supervisor, or employee of an employer as compensation for service as a regular officer, supervisor, or employee of such employer.

29 USC 158.

(f) Nothing contained in this section shall be construed as an amendment to, or modification of the rights protected by, section 8(c) of the National Labor Relations Act, as amended.

29 USC 157.

(g) The term "interfere with, restrain, or coerce" as used in this section means interference, restraint, and coercion which, if done with respect to the exercise of rights guaranteed in section 7 of the National Labor Relations Act, as amended, would, under section 8(a) of such Act, constitute an unfair labor practice.

ATTORNEY-CLIENT COMMUNICATIONS EXEMPTED

SEC. 204. Nothing contained in this Act shall be construed to require an attorney who is a member in good standing of the bar of any State, to include in any report required to be filed pursuant to the provisions of this Act any information which was lawfully communicated to such attorney by any of his clients in the course of a legitimate attorney-client relationship.

REPORTS MADE PUBLIC INFORMATION

SEC. 205. (a) The contents of the reports and documents filed with the Secretary pursuant to sections 201, 202, and 203 shall be public information, and the Secretary may publish any information and data which he obtains pursuant to the provisions of this title. The Secretary may use the information and data for statistical and research purposes, and compile and publish such studies, analyses, reports, and surveys based thereon as he may deem appropriate.

(b) The Secretary shall by regulation make reasonable provision for the inspection and examination, on the request of any person, of the information and data contained in any report or other document filed with him pursuant to section 201, 202, or 203.

(c) The Secretary shall by regulation provide for the furnishing by the Department of Labor of copies of reports or other documents filed with the Secretary pursuant to this title, upon payment of a charge based upon the cost of the service. The Secretary shall make available without payment of a charge, or require any person to furnish, to such State agency as is designated by law or by the Governor of the State in which such person has his principal place of business or headquarters, upon request of the Governor of such State, copies of any reports and documents filed by such person with the Secretary pursuant to section 201, 202, or 203, or of information and data contained therein. No person shall be required by reason of any law of any State to furnish to any officer or agency of such State any information included in a report filed by such person with the Secretary pursuant to the provisions of this title, if a copy of such report, or of the portion thereof containing such information, is furnished to such officer or

agency. All moneys received in payment of such charges fixed by the Secretary pursuant to this subsection shall be deposited in the general fund of the Treasury.

RETENTION OF RECORDS

SEC. 206. Every person required to file any report under this title shall maintain records on the matters required to be reported which will provide in sufficient detail the necessary basic information and data from which the documents filed with the Secretary may be verified, explained or clarified, and checked for accuracy and completeness, and shall include vouchers, worksheets, receipts, and applicable resolutions, and shall keep such records available for examination for a period of not less than five years after the filing of the documents based on the information which they contain.

EFFECTIVE DATE

SEC. 207. (a) Each labor organization shall file the initial report required under section 201(a) within ninety days after the date on which it first becomes subject to this Act.

(b) Each person required to file a report under section 201(b), 202, 203(a), or the second sentence of 203(b) shall file such report within ninety days after the end of each of its fiscal years; except that where such person is subject to section 201(b), 202, 203(a), or the second sentence of 203(b), as the case may be, for only a portion of such a fiscal year (because the date of enactment of this Act occurs during such person's fiscal year or such person becomes subject to this Act during its fiscal year) such person may consider that portion as the entire fiscal year in making such report.

RULES AND REGULATIONS

SEC. 208. The Secretary shall have authority to issue, amend, and rescind rules and regulations prescribing the form and publication of reports required to be filed under this title and such other reasonable rules and regulations (including rules prescribing reports concerning trusts in which a labor organization is interested) as he may find necessary to prevent the circumvention or evasion of such reporting requirements. In exercising his power under this section the Secretary shall prescribe by general rule simplified reports for labor organizations or employers for whom he finds that by virtue of their size a detailed report would be unduly burdensome, but the Secretary may revoke such provision for simplified forms of any labor organization or employer if he determines, after such investigation as he deems proper and due notice and opportunity for a hearing, that the purposes of this section would be served thereby.

CRIMINAL PROVISIONS

SEC. 209. (a) Any person who willfully violates this title shall be fined not more than \$10,000 or imprisoned for not more than one year, or both.

(b) Any person who makes a false statement or representation of a material fact, knowing it to be false, or who knowingly fails to disclose a material fact, in any document, report, or other information required under the provisions of this title shall be fined not more than \$10,000 or imprisoned for not more than one year, or both.

(c) Any person who willfully makes a false entry in or willfully conceals, withholds, or destroys any books, records, reports, or state-

(d) Each individual required to sign reports under sections 201 and 203 shall be personally responsible for the filing of such reports and for any statement contained therein which he knows to be false.

CIVIL ENFORCEMENT

SEC. 210. Whenever it shall appear that any person has violated or is about to violate any of the provisions of this title, the Secretary may bring a civil action for such relief (including injunctions) as may be appropriate. Any such action may be brought in the district court of the United States where the violation occurred or, at the option of the parties, in the United States District Court for the District of Columbia.

TITLE III—TRUSTEESHIPS

REPORTS

SEC. 301. (a) Every labor organization which has or assumes trusteeship over any subordinate labor organization shall file with the Secretary within thirty days after the date of the enactment of this Act or the imposition of any such trusteeship, and semiannually thereafter, a report, signed by its president and treasurer or corresponding principal officers, as well as by the trustees of such subordinate labor organization, containing the following information: (1) the name and address of the subordinate organization; (2) the date of establishing the trusteeship; (3) a detailed statement of the reason or reasons for establishing or continuing the trusteeship; and (4) the nature and extent of participation by the membership of the subordinate organization in the selection of delegates to represent such organization in regular or special conventions or other policy-determining bodies and in the election of officers of the labor organization which has assumed trusteeship over such subordinate organization. The initial report shall also include a full and complete account of the financial condition of such subordinate organization as of the time trusteeship was assumed over it. During the continuance of a trusteeship the labor organization which has assumed trusteeship over a subordinate labor organization shall file on behalf of the subordinate labor organization the annual financial report required by section 201(b) signed by the president and treasurer or corresponding principal officers of the labor organization which has assumed such trusteeship and the trustees of the subordinate labor organization.

(b) The provisions of section 201(c), 205, 206, 208, and 210 shall be applicable to reports filed under this title.

(c) Any person who willfully violates this section shall be fined not more than \$10,000 or imprisoned for not more than one year, or both.

(d) Any person who makes a false statement or representation of a material fact, knowing it to be false, or who knowingly fails to disclose a material fact, in any report required under the provisions of this section or willfully makes any false entry in or willfully withholds, conceals, or destroys any documents, books, records, reports, or statements upon which such report is based, shall be fined not more than \$10,000 or imprisoned for not more than one year, or both.

(e) Each individual required to sign a report under this section shall be personally responsible for the filing of such report and for any statement contained therein which he knows to be false.

PURPOSES FOR WHICH A TRUSTEESHIP MAY BE ESTABLISHED

SEC. 302. Trusteeships shall be established and administered by a labor organization over a subordinate body only in accordance with the constitution and bylaws of the organization which has assumed trusteeship over the subordinate body and for the purpose of correcting corruption or financial malpractice, assuring the performance of collective bargaining agreements or other duties of a bargaining representative, restoring democratic procedures, or otherwise carrying out the legitimate objects of such labor organization.

UNLAWFUL ACTS RELATING TO LABOR ORGANIZATION UNDER TRUSTEESHIP

SEC. 303. (a) During any period when a subordinate body of a labor organization is in trusteeship, it shall be unlawful (1) to count the vote of delegates from such body in any convention or election of officers of the labor organization unless the delegates have been chosen by secret ballot in an election in which all the members in good standing of such subordinate body were eligible to participate, or (2) to transfer to such organization any current receipts or other funds of the subordinate body except the normal per capita tax and assessments payable by subordinate bodies not in trusteeship: *Provided*, That nothing herein contained shall prevent the distribution of the assets of a labor organization in accordance with its constitution and bylaws upon the bona fide dissolution thereof.

(b) Any person who willfully violates this section shall be fined not more than \$10,000 or imprisoned for not more than one year, or both.

ENFORCEMENT

SEC. 304. (a) Upon the written complaint of any member or subordinate body of a labor organization alleging that such organization has violated the provisions of this title (except section 301) the Secretary shall investigate the complaint and if the Secretary finds probable cause to believe that such violation has occurred and has not been remedied he shall, without disclosing the identity of the complainant, bring a civil action in any district court of the United States having jurisdiction of the labor organization for such relief (including injunctions) as may be appropriate. Any member or subordinate body of a labor organization affected by any violation of this title (except section 301) may bring a civil action in any district court of the United States having jurisdiction of the labor organization for such relief (including injunctions) as may be appropriate.

(b) For the purpose of actions under this section, district courts of the United States shall be deemed to have jurisdiction of a labor organization (1) in the district in which the principal office of such labor organization is located, or (2) in any district in which its duly authorized officers or agents are engaged in conducting the affairs of the trusteeship.

(c) In any proceeding pursuant to this section a trusteeship established by a labor organization in conformity with the procedural requirements of its constitution and bylaws and authorized or ratified after a fair hearing either before the executive board or before such other body as may be provided in accordance with its constitution or bylaws shall be presumed valid for a period of eighteen months from the date of its establishment and shall not be subject to attack during such period except upon clear and convincing proof that the trusteeship was not established or maintained in good faith for a purpose allowable under section 302. After the expiration of eighteen months the trusteeship shall be presumed invalid in any such proceeding and

its discontinuance shall be decreed unless the labor organization shall show by clear and convincing proof that the continuation of the trusteeship is necessary for a purpose allowable under section 302. In the latter event the court may dismiss the complaint or retain jurisdiction of the cause on such conditions and for such period as it deems appropriate.

REPORT TO CONGRESS

SEC. 305. The Secretary shall submit to the Congress at the expiration of three years from the date of enactment of this Act a report upon the operation of this title.

COMPLAINT BY SECRETARY

SEC. 306. The rights and remedies provided by this title shall be in addition to any and all other rights and remedies at law or in equity: *Provided*, That upon the filing of a complaint by the Secretary the jurisdiction of the district court over such trusteeship shall be exclusive and the final judgment shall be *res judicata*.

TITLE IV—ELECTIONS

TERMS OF OFFICE; ELECTION PROCEDURES

SEC. 401. (a) Every national or international labor organization, except a federation of national or international labor organizations, shall elect its officers not less often than once every five years either by secret ballot among the members in good standing or at a convention of delegates chosen by secret ballot.

(b) Every local labor organization shall elect its officers not less often than once every three years by secret ballot among the members in good standing.

(c) Every national or international labor organization, except a federation of national or international labor organizations, and every local labor organization, and its officers, shall be under a duty, enforceable at the suit of any bona fide candidate for office in such labor organization in the district court of the United States in which such labor organization maintains its principal office, to comply with all reasonable requests of any candidate to distribute by mail or otherwise at the candidate's expense campaign literature in aid of such person's candidacy to all members in good standing of such labor organization and to refrain from discrimination in favor of or against any candidate with respect to the use of lists of members, and whenever such labor organizations or its officers authorize the distribution by mail or otherwise to members of campaign literature on behalf of any candidate or of the labor organization itself with reference to such election, similar distribution at the request of any other bona fide candidate shall be made by such labor organization and its officers, with equal treatment as to the expense of such distribution. Every bona fide candidate shall have the right, once within 30 days prior to an election of a labor organization in which he is a candidate, to inspect a list containing the names and last known addresses of all members of the labor organization who are subject to a collective bargaining agreement requiring membership therein as a condition of employment, which list shall be maintained and kept at the principal office of such labor organization by a designated official thereof. Adequate safeguards to insure a fair election shall be provided, including the right of any candidate to have an observer at the polls and at the counting of the ballots.

(d) Officers of intermediate bodies, such as general committees, system boards, joint boards, or joint councils, shall be elected not less often than once every four years by secret ballot among the members in good standing or by labor organization officers representative of such members who have been elected by secret ballot.

(e) In any election required by this section which is to be held by secret ballot a reasonable opportunity shall be given for the nomination of candidates and every member in good standing shall be eligible to be a candidate and to hold office (subject to section 504 and to reasonable qualifications uniformly imposed) and shall have the right to vote for or otherwise support the candidate or candidates of his choice, without being subject to penalty, discipline, or improper interference or reprisal of any kind by such organization or any member thereof. Not less than fifteen days prior to the election notice thereof shall be mailed to each member at his last known home address. Each member in good standing shall be entitled to one vote. No member whose dues have been withheld by his employer for payment to such organization pursuant to his voluntary authorization provided for in a collective bargaining agreement shall be declared ineligible to vote or be a candidate for office in such organization by reason of alleged delay or default in the payment of dues. The votes cast by members of each local labor organization shall be counted, and the results published, separately. The election officials designated in the constitution and bylaws or the secretary, if no other official is designated, shall preserve for one year the ballots and all other records pertaining to the election. The election shall be conducted in accordance with the constitution and bylaws of such organization insofar as they are not inconsistent with the provisions of this title.

(f) When officers are chosen by a convention of delegates elected by secret ballot, the convention shall be conducted in accordance with the constitution and bylaws of the labor organization insofar as they are not inconsistent with the provisions of this title. The officials designated in the constitution and bylaws or the secretary, if no other is designated, shall preserve for one year the credentials of the delegates and all minutes and other records of the convention pertaining to the election of officers.

(g) No moneys received by any labor organization by way of dues, assessment, or similar levy, and no moneys of an employer shall be contributed or applied to promote the candidacy of any person in an election subject to the provisions of this title. Such moneys of a labor organization may be utilized for notices, factual statements of issues not involving candidates, and other expenses necessary for the holding of an election.

(h) If the Secretary, upon application of any member of a local labor organization, finds after hearing in accordance with the Administrative Procedure Act that the constitution and bylaws of such labor organization do not provide an adequate procedure for the removal of an elected officer guilty of serious misconduct, such officer may be removed, for cause shown and after notice and hearing, by the members in good standing voting in a secret ballot conducted by the officers of such labor organization in accordance with its constitution and bylaws insofar as they are not inconsistent with the provisions of this title.

(i) The Secretary shall promulgate rules and regulations prescribing minimum standards and procedures for determining the adequacy of the removal procedures to which reference is made in subsection (h).

ENFORCEMENT

SEC. 402. (a) A member of a labor organization—

(1) who has exhausted the remedies available under the constitution and bylaws of such organization and of any parent body,
or

(2) who has invoked such available remedies without obtaining
a final decision within three calendar months after their invocation,

may file a complaint with the Secretary within one calendar month thereafter alleging the violation of any provision of section 401 (including violation of the constitution and bylaws of the labor organization pertaining to the election and removal of officers). The challenged election shall be presumed valid pending a final decision thereon (as hereinafter provided) and in the interim the affairs of the organization shall be conducted by the officers elected or in such other manner as its constitution and bylaws may provide.

(b) The Secretary shall investigate such complaint and, if he finds probable cause to believe that a violation of this title has occurred and has not been remedied, he shall, within sixty days after the filing of such complaint, bring a civil action against the labor organization as an entity in the district court of the United States in which such labor organization maintains its principal office to set aside the invalid election, if any, and to direct the conduct of an election or hearing and vote upon the removal of officers under the supervision of the Secretary and in accordance with the provisions of this title and such rules and regulations as the Secretary may prescribe. The court shall have power to take such action as it deems proper to preserve the assets of the labor organization.

(c) If, upon a preponderance of the evidence after a trial upon the merits, the court finds—

(1) that an election has not been held within the time prescribed by section 401, or

(2) that the violation of section 401 may have affected the outcome of an election,

the court shall declare the election, if any, to be void and direct the conduct of a new election under supervision of the Secretary and, so far as lawful and practicable, in conformity with the constitution and bylaws of the labor organization. The Secretary shall promptly certify to the court the names of the persons elected, and the court shall thereupon enter a decree declaring such persons to be the officers of the labor organization. If the proceeding is for the removal of officers pursuant to subsection (h) of section 401, the Secretary shall certify the results of the vote and the court shall enter a decree declaring whether such persons have been removed as officers of the labor organization.

(d) An order directing an election, dismissing a complaint, or designating elected officers of a labor organization shall be appealable in the same manner as the final judgment in a civil action, but an order directing an election shall not be stayed pending appeal.

APPLICATION OF OTHER LAWS

SEC. 403. No labor organization shall be required by law to conduct elections of officers with greater frequency or in a different form or manner than is required by its own constitution or bylaws, except as otherwise provided by this title. Existing rights and remedies to enforce the constitution and bylaws of a labor organization with respect to elections prior to the conduct thereof shall not be affected by the provisions of this title. The remedy provided by this title for challenging an election already conducted shall be exclusive.

EFFECTIVE DATE

SEC. 404. The provisions of this title shall become applicable—

(1) ninety days after the date of enactment of this Act in the case of a labor organization whose constitution and bylaws can lawfully be modified or amended by action of its constitutional officers or governing body, or

(2) where such modification can only be made by a constitutional convention of the labor organization, not later than the next constitutional convention of such labor organization after the date of enactment of this Act, or one year after such date, whichever is sooner. If no such convention is held within such one-year period, the executive board or similar governing body empowered to act for such labor organization between conventions is empowered to make such interim constitutional changes as are necessary to carry out the provisions of this title.

TITLE V—SAFEGUARDS FOR LABOR ORGANIZATIONS

FIDUCIARY RESPONSIBILITY OF OFFICERS OF LABOR ORGANIZATIONS

SEC. 501. (a) The officers, agents, shop stewards, and other representatives of a labor organization occupy positions of trust in relation to such organization and its members as a group. It is, therefore, the duty of each such person, taking into account the special problems and functions of a labor organization, to hold its money and property solely for the benefit of the organization and its members and to manage, invest, and expend the same in accordance with its constitution and bylaws and any resolutions of the governing bodies adopted thereunder, to refrain from dealing with such organization as an adverse party or in behalf of an adverse party in any matter connected with his duties and from holding or acquiring any pecuniary or personal interest which conflicts with the interests of such organization, and to account to the organization for any profit received by him in whatever capacity in connection with transactions conducted by him or under his direction on behalf of the organization. A general exculpatory provision in the constitution and bylaws of such a labor organization or a general exculpatory resolution of a governing body purporting to relieve any such person of liability for breach of the duties declared by this section shall be void as against public policy.

(b) When any officer, agent, shop steward, or representative of any labor organization is alleged to have violated the duties declared in subsection (a) and the labor organization or its governing board or officers refuse or fail to sue or recover damages or secure an accounting or other appropriate relief within a reasonable time after being requested to do so by any member of the labor organization, such member may sue such officer, agent, shop steward, or representative in any district court of the United States or in any State court of competent jurisdiction to recover damages or secure an accounting or other appropriate relief for the benefit of the labor organization. No such proceeding shall be brought except upon leave of the court obtained upon verified application and for good cause shown, which application may be made ex parte. The trial judge may allot a reasonable part of the recovery in any action under this subsection to pay the fees of counsel prosecuting the suit at the instance of the member of the labor organization and to compensate such member for any expenses necessarily paid or incurred by him in connection with the litigation.

(c) Any person who embezzles, steals, or unlawfully and willfully abstracts or converts to his own use, or the use of another, any of the moneys, funds, securities, property, or other assets of a labor organization of which he is an officer, or by which he is employed, directly or indirectly, shall be fined not more than \$10,000 or imprisoned for not more than five years, or both.

BONDING

SEC. 502. (a) Every officer, agent, shop steward, or other representative or employee of any labor organization (other than a labor organization whose property and annual financial receipts do not exceed \$5,000 in value), or of a trust in which a labor organization is interested, who handles funds or other property thereof shall be bonded for the faithful discharge of his duties. The bond of each such person shall be fixed at the beginning of the organization's fiscal year and shall be in an amount not less than 10 per centum of the funds handled by him and his predecessor or predecessors, if any, during the preceding fiscal year, but in no case more than \$500,000. If the labor organization or the trust in which a labor organization is interested does not have a preceding fiscal year, the amount of the bond shall be, in the case of a local labor organization, not less than \$1,000, and in the case of any other labor organization or of a trust in which a labor organization is interested, not less than \$10,000. Such bonds shall be individual or schedule in form, and shall have a corporate surety company as surety thereon. Any person who is not covered by such bonds shall not be permitted to receive, handle, disburse, or otherwise exercise custody or control of the funds or other property of a labor organization or of a trust in which a labor organization is interested. No such bond shall be placed through an agent or broker or with a surety company in which any labor organization or any officer, agent, shop steward, or other representative of a labor organization has any direct or indirect interest. Such surety company shall be a corporate surety which holds a grant of authority from the Secretary of the Treasury under the Act of July 30, 1947 (6 U.S.C. 6-13), as an acceptable surety on Federal bonds.

61 Stat. 648.

(b) Any person who willfully violates this section shall be fined not more than \$10,000 or imprisoned for not more than one year, or both.

MAKING OF LOANS; PAYMENT OF FINES

SEC. 503. (a) No labor organization shall make directly or indirectly any loan or loans to any officer or employee of such organization which results in a total indebtedness on the part of such officer or employee to the labor organization in excess of \$2,000.

(b) No labor organization or employer shall directly or indirectly pay the fine of any officer or employee convicted of any willful violation of this Act.

(c) Any person who willfully violates this section shall be fined not more than \$5,000 or imprisoned for not more than one year, or both.

PROHIBITION AGAINST CERTAIN PERSONS HOLDING OFFICE

SEC. 504. (a) No person who is or has been a member of the Communist Party or who has been convicted of, or served any part of a prison term resulting from his conviction of, robbery, bribery, extortion, embezzlement, grand larceny, burglary, arson, violation of narcotics laws, murder, rape, assault with intent to kill, assault which

inflicts grievous bodily injury, or a violation of title II or III of this Act, or conspiracy to commit any such crimes, shall serve—

(1) as an officer, director, trustee, member of any executive board or similar governing body, business agent, manager, organizer, or other employee (other than as an employee performing exclusively clerical or custodial duties) of any labor organization, or

(2) as a labor relations consultant to a person engaged in an industry or activity affecting commerce, or as an officer, director, agent, or employee (other than as an employee performing exclusively clerical or custodial duties) of any group or association of employers dealing with any labor organization,

during or for five years after the termination of his membership in the Communist Party, or for five years after such conviction or after the end of such imprisonment, unless prior to the end of such five-year period, in the case of a person so convicted or imprisoned, (A) his citizenship rights, having been revoked as a result of such conviction, have been fully restored, or (B) the Board of Parole of the United States Department of Justice determines that such person's service in any capacity referred to in clause (1) or (2) would not be contrary to the purposes of this Act. Prior to making any such determination the Board shall hold an administrative hearing and shall give notice of such proceeding by certified mail to the State, county, and Federal prosecuting officials in the jurisdiction or jurisdictions in which such person was convicted. The Board's determination in any such proceeding shall be final. No labor organization or officer thereof shall knowingly permit any person to assume or hold any office or paid position in violation of this subsection.

(b) Any person who willfully violates this section shall be fined not more than \$10,000 or imprisoned for not more than one year, or both.

(c) For the purposes of this section, any person shall be deemed to have been "convicted" and under the disability of "conviction" from the date of the judgment of the trial court or the date of the final sustaining of such judgment on appeal, whichever is the later event, regardless of whether such conviction occurred before or after the date of enactment of this Act.

AMENDMENT TO SECTION 302, LABOR MANAGEMENT RELATIONS ACT, 1947

SEC. 505. Subsections (a), (b), and (c) of section 302 of the Labor Management Relations Act, 1947, as amended, are amended to read as follows:

26 USC 186.

"SEC. 302. (a) It shall be unlawful for any employer or association of employers or any person who acts as a labor relations expert, adviser, or consultant to an employer or who acts in the interest of an employer to pay, lend, or deliver, or agree to pay, lend, or deliver, any money or other thing of value—

"(1) to any representative of any of his employees who are employed in an industry affecting commerce; or

"(2) to any labor organization, or any officer or employee thereof, which represents, seeks to represent, or would admit to membership, any of the employees of such employer who are employed in an industry affecting commerce; or

29 USC 158.

(b) Section 8 of the National Labor Relations Act, as amended, is amended by adding at the end thereof the following new subsection:

"(A) where the employer has lawfully recognized in accordance with this Act any other labor organization and a question concerning representation may not appropriately be raised under section 9(c) of this Act,

"(B) where within the preceding twelve months a valid election under section 9(c) of this Act has been conducted, or

"(C) where such picketing has been conducted without a petition under section 9(c) being filed within a reasonable period of time not to exceed thirty days from the commencement of such picketing: *Provided*, That when such a petition has been filed the Board shall forthwith, without regard to the provisions of section 9(c)(1) or the absence of a showing of a substantial interest on the part of the labor organization, direct an election in such unit as the Board finds to be appropriate and shall certify the results thereof: *Provided further*, That nothing in this subparagraph (C) shall be construed to prohibit any picketing or other publicity for the purpose of truthfully advising the public (including consumers) that an employer does not employ members of, or have a contract with, a labor organization, unless an effect of such picketing is to induce any individual employed by any other person in the course of his employment, not to pick up, deliver or transport any goods or not to perform any services.

"Nothing in this paragraph (7) shall be construed to permit any act which would otherwise be an unfair labor practice under this section 8(b)."

(e) Section 303(a) of the Labor Management Relations Act, 1947, is amended to read as follows: 29 USC 187.

(b) Nothing contained in the amendment made by subsection (a) shall be construed as authorizing the execution or application of agreements requiring membership in a labor organization as a condition of employment in any State or Territory in which such execution or application is prohibited by State or Territorial law.

PRIORITY IN CASE HANDLING

SEC. 706. Section 10 of the National Labor Relations Act, as amended, is amended by adding at the end thereof a new subsection as follows: 29 USC 160.

EFFECTIVE DATE OF AMENDMENTS

SEC. 707. The amendments made by this title shall take effect sixty days after the date of the enactment of this Act and no provision of this title shall be deemed to make an unfair labor practice, any act which is performed prior to such effective date which did not constitute an unfair labor practice prior thereto.

JOINT RESOLUTION

Granting consent of Congress to a compact entered into between the State of New York and the State of New Jersey for the creation of the New York-New Jersey Transportation Agency.

September 21, 1959
[H. J. Res. 403]

Whereas the State of New York and the State of New Jersey have entered into a certain compact known as the New York-New Jersey Transportation Agency Compact, by means of concurrent legislation to that end, being chapter 420 of the Laws of New York of 1959, and chapter 13 of the Laws of New Jersey of 1959 as amended by chapter 24 of the Laws of New Jersey of 1959, for the development and execution of interim plans and the preparation of a long-range plan to deal with problems of mass transit systems for the transportation by common carrier of passengers to or across the Hudson River, or both, with respect to those phases with which either of the States, acting alone, cannot deal effectively: Therefore be it

Resolved by the Senate and House of Representatives of the United States of America in Congress assembled, That the consent of Congress, subject to the provisions and conditions of section 2 of this joint resolution, is hereby given to the States of New York and New Jersey for the New York-New Jersey Transportation Agency Compact, and to each and every part and article thereof: *Provided,* That nothing contained in said compact shall be construed as impairing or in any manner affecting any right or jurisdiction of the United States in and over the region which forms the subject of the compact or the power of Congress, pursuant to the United States Constitution, over interstate or foreign commerce. Such compact reads as follows:

New York-New
Jersey Transportation
Agency Compact.

**“NEW YORK-NEW JERSEY TRANSPORTATION AGENCY
COMPACT**

“ARTICLE 1

“LEGISLATIVE DECLARATION

“1.1 Findings and policy. The legislatures of the State of New York and the State of New Jersey, respectively, hereby find and declare that:

“(a) Provision for efficient and proper transportation of commuters and other persons by public mass transit methods within and

between the states of New York and New Jersey is essential to the commerce, defense, and general welfare of the two states, and is in the public interest.

"(b) Recent trends toward decay of existing mass transit systems, particularly in respect to those carrying passengers to or across the Hudson river or both, have created a condition of impending emergency requiring prompt action for the establishment on an interim basis of an operating system or systems designed to make the most effective use of existing facilities and services with the least financial hardship upon the operators thereof consistent with public needs.

"(c) The present and future transit needs of the two states call for prompt development of an interim plan for the coordinated and integrated use of existing transit facilities and services, as well as for preparation of a long-range plan for a more permanent resolution of these problems. Present uncertainties as to the nature and extent of any acceptable and feasible long-range plan, as well as to the capital and operating costs of such a plan, require that such questions be inquired into upon the basis of experience accumulated in the operation of an interim plan.

"(d) It is therefore the policy of the two states to provide a method for the common handling and disposition by a single agency of the two states of those phases of the development and execution of an interim plan and the preparation of a long-range plan with which either of the states, acting alone, cannot deal effectively.

"(e) The development and execution of an interim plan, as well as the preparation of a general plan, can and should be accomplished by a bi-state agency, to serve as an agency of the states and to have the full assistance and cooperation by all persons and agencies, private and public, of either or both of the states within the proper limits of its own functions and duties.

"1.2. Means to be employed. The legislatures of the states of New York and New Jersey, respectively, further find and declare that the common aspects of the transportation requirements of the two states require concurrent action of the two states to create a bi-state agency, vesting with such power and duties as are necessary and proper for its initial functions, and providing for such additional powers and duties on its part as subsequent concurrent legislation may provide.

"ARTICLE 2

"GENERAL PROVISIONS

"2.1. Definitions. For the purposes of this compact, and of concurrent legislation enacted in furtherance thereof, unless and until the context plainly requires a different meaning:

"(a) 'Transportation agency' means the New York-New Jersey transportation agency established by and pursuant to this compact.

"(b) 'Concurrent legislation' means a statute adopted by one of the states party to this compact which is concurred in by the other state party to this compact in the form of a like enactment.

"(c) 'Facility' or 'transit facility' means any real or personal property, including equipment, and any interest therein, to be used, constructed, acquired, or otherwise provided in connection with the providing of transit services.

"(d) 'Transit', 'transit service', 'mass transit service' or any like term means those activities in the two states that are directed primarily to the transportation of commuters interstate by common carriers and secondarily to such transportation of commuters intrastate and of all other persons interstate and intrastate.

"2.2. Interpretation of the compact. The states of New York and New Jersey intend by this compact to exercise the powers reserved to the states under the constitution of the United States with regard to transit services by whatever facilities or combination thereof are found necessary and proper. This compact shall be liberally construed to effectuate such intention. Nothing contained herein shall be deemed in any way to limit or restrict the power of either state by law or otherwise to deal independently within its own boundaries as to any matter within the scope of this compact so long as any action taken is not in conflict with any plan approved by concurrent legislation.

"ARTICLE 3

"NEW YORK-NEW JERSEY TRANSPORTATION AGENCY

"3.1. Transportation agency created. There is hereby created an agency, which shall be an interstate body, both corporate and politic, to serve as a public agency of the states of New York and New Jersey in dealing with matters affecting public mass transit within and between the two states.

"3.2. Name. The name of this public corporation shall be New York-New Jersey transportation agency, or such other name as may hereafter be provided by concurrent legislation.

"3.3. Territorial jurisdiction. The territory as to which the transportation agency shall function shall be the territory encompassed within the legal boundaries of the state of New York and of the counties of Bergen, Essex, Hudson, Mercer, Middlesex, Monmouth, Morris, Passaic, Somerset and Union in the state of New Jersey, and particularly those portions of such territory from or to which a substantial number of persons commute regularly between the states of New York and New Jersey from and to their homes and places of business. The territorial jurisdiction of the transportation agency may be enlarged or reduced by concurrent legislation hereafter enacted.

"3.4. Administrative organization. (a) The transportation agency shall be composed of two members, one of whom shall be designated by the governor of each of the states with the advice and consent of the senate of such state unless otherwise provided by the law of the state for which such member is designated. Each member of the transportation agency shall be a person who is an official of the State for which he is designated and whose official duties within the state include the duty of dealing with transportation problems. Each member shall hold office at the pleasure of the governor of the state for which he is designated.

"(b) The transportation agency's functions shall be performed and carried out by said members and by such employees as may be appointed by said members, subject to their direction and control. All such employees shall hold office at the pleasure of said members, who shall fix their compensation and other terms of their employment.

"(c) The transportation agency shall act by resolution concurred in and adopted by both said members. The vote of a member shall be subject to the veto of the governor of the state for which he is designated, to be exercised within ten days after receipt by said governor of a certified copy of such resolution, Saturdays, Sundays and legal holidays in such state excepted.

"(d) The members of the transportation agency shall receive no compensation for their services pursuant to this act, but they shall be entitled to be paid the expenses actually and necessarily incurred by them in the performance of their duties.

"3.5. Powers and duties of the transportation agency; interim plan.

(a) The transportation agency shall promptly undertake a study of the conditions relating to transit services, and shall enter into negotiations and agreements with railroads, bus companies, and other common carriers rendering such services, as well as with municipalities, counties, and any public authority or agency of either or both of the states, for the purpose of preparing as rapidly as possible the exact terms of an interim plan or plans for the preservation, coordination, consolidation, integration and improvement of essential transit facilities and services, so that there may be established transit services which will make the best possible use of existing transit facilities and services, and of such additional transit facilities and services as may be proposed as the result of such negotiations and agreements, consistent with the greatest possible reduction in financial deficit or deficits arising therefrom, if any, on the part of the contracting operators thereof. All such negotiations shall be directed to the execution of operating and facility agreements which shall contain provisions rendering the same binding upon the parties thereto on condition that all related agreements therein specified shall be entered into and that all of such agreements be approved by concurrent legislation.

"(b) Upon the basis of such negotiations and agreements, the transportation agency shall prepare for submission to the governors and legislatures of the two states an interim plan or plans for the most efficient use of existing transit facilities and services, and of such additional transit facilities and services as may be provided in such agreements, all by the present operators thereof whenever possible, for the approval thereof by concurrent legislation. In the preparation of any such interim plan, the transportation agency shall have the assistance and cooperation of any governmental agency or agencies of either or both of the states which may have information, data, personnel, or experience of value to the transportation agency for the better performance of its duties. All such agencies are directed to extend full assistance and cooperation to the transportation agency in furtherance thereof. Any such interim plan so submitted shall have annexed to it copies of all of the conditional agreements so negotiated, and may provide for such modifications thereto in the event of approval as may be permitted by concurrent legislation.

"(c) When and as any such interim plan shall be approved and authorized by concurrent legislation, the transportation agency and all other persons party to said agreements shall thereupon be bound thereto according to the terms thereof, and all parties shall thereupon proceed to perform the same.

"(d) Any such interim plan shall also set forth any provisions considered necessary by way of amendment of or supplement to this compact in order to effectuate such plan, so that concurrent legislation for that purpose may be adopted. Any such concurrent legislation shall be sufficient to accomplish such amendment or supplement.

"(e) All of the terms and conditions of any interim plan or plans so approved by concurrent legislation, and any amendments thereof or supplements thereto similarly approved, as well as the agreements annexed thereto, shall, in accordance with such concurrent legislation, take effect according to their terms and shall not be subject to the provisions of any law of either of the states in so far as the same might otherwise require submission to and approval by any governmental agency or agencies having jurisdiction thereof pursuant to such law.

"3.6. Powers and duties of transportation agency; long-range plan.

(a) The transportation agency shall have all the powers of negotiation and conditional agreement herein provided as to interim plans, for the purpose of preparing a long-range plan for submission to the governors and legislatures of the states of New York and New Jersey, for approval by concurrent legislation, and for any amendments of or supplements to any such long-range plan.

"(b) Such long-range plan shall be designed to provide a more permanent arrangement or series of arrangements for the preservation, coordination, consolidation, integration, and improvement of transit facilities and services, whether now in existence or to be provided under the terms of any interim or long-range plan.

"(c) Such long-range plan shall also provide for methods of financing its implementation, to the extent necessary; and, in case of doubt as to which of several available methods should be adopted, the plan shall set forth the alternatives in detail, so that the method or methods to be employed may be determined by concurrent legislation; but it shall not be necessary for the same method to be employed within both of the states. No such plan shall provide for financing by means of any tax on real and personal property.

"(d) Such long-range plan shall also contain such proposals for the modification, amendment, or supplement of this compact as may be necessary to implement said plan properly.

"(e) Such long-range plan shall also contain suitable provisions with respect to the providing and operating of transit facilities or services for the evacuation or transfer of persons within or through the two states by way of implementation of a civil defense operational survival plan, to the extent deemed necessary and feasible.

To amend section 17 (b) of the Reclamation Project Act of 1939.

53 Stat. 1198.

note.

Construction charges.
Deferment of payments.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That section 17, subsection (b), of the Reclamation Project Act of 1939, as amended, is hereby further amended to read as follows:

"The Secretary is hereby authorized, subject to the provisions of this subsection, to defer the time for the payment of such part of any installments of construction charges under any repayment contract or other form of obligation as he deems necessary to adjust such installments to amounts within the probable ability of the water users to pay. Any such deferment shall be effected only after findings by the Secretary that the installments under consideration probably cannot be paid on their due date without undue burden on the water users, considering the various factors which in the Secretary's judgment bear on the ability of the water users so to pay.

"The Secretary may effect the deferments hereunder subject to such conditions and provisions relating to the operation and maintenance of the project involved as he deems to be in the interest of the United States. If, however, any deferments would affect installments to accrue more than twelve months after the action of deferment, they shall be effected only by a formal supplemental contract. Such a contract shall provide by its terms that, it being only an interim solution of the repayment problems dealt with therein, its terms are not, in them-

selves, to be construed as a criterion of the terms of any amendatory contract that may be negotiated and that any such amendatory contract must be approved by the Congress unless it does not lengthen the repayment period for the project in question beyond that permitted by the laws applicable to that project, involves no reduction in the total amount payable by the water users, and is not in other respects less advantageous to the Government than the existing contract arrangements. The Secretary shall report to the Congress all deferments granted under this subsection."

SEC. 2. The Act of March 6, 1952 (66 Stat. 16), as amended, is hereby further amended by deleting therefrom the words "and by section 3 of the Act of April 24, 1945 (59 Stat. 75, 76)".

SEC. 3. The provisions of section 17, subsection (b), of the Reclamation Project Act of 1939, as amended by section 1 of this Act, shall apply to any project within the administrative jurisdiction of the Bureau of Reclamation to which, if it had been constructed as a project under the Federal reclamation laws (Act of June 17, 1902, 32 Stat. 388, and Acts amendatory thereof or supplementary thereto), these provisions would be applicable.

To provide for the division of the tribal assets of the Catawba Indian Tribe of South Carolina among the members of the tribe and for other purposes.

Catawba Indian
Tribe.
Division of as-
sets.

F. R.

Shares.

Distribution.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That when a majority of the adult members of the Catawba Indian Tribe of South Carolina, according to the most reliable information regarding membership that is available to the Secretary of the Interior, have indicated their agreement to a division of the tribal assets in accordance with the provisions of this Act, the Secretary shall publish in the Federal Register a notice of that fact. The membership roll of the Catawba Indian Tribe of South Carolina shall thereupon be closed as of midnight of the date of such notice, and no child born thereafter shall be eligible for enrollment. The Secretary of the Interior with advice and assistance of the tribe shall prepare a final roll of the members of the tribe who are living at such time, and when so doing shall provide a reasonable opportunity for any person to protest against the inclusion or omission of any name on or from the roll. The Secretary's decisions on all protests shall be final and conclusive. After all protests are disposed of, the final roll shall be published in the Federal Register.

SEC. 2. Each member whose name appears on the final roll of the tribe as published in the Federal Register shall be entitled to receive an approximately equal share of the tribe's assets that are held in trust by the United States in accordance with the provisions of this Act. This right shall constitute personal property which may be inherited or bequeathed, but it shall not otherwise be subject to alienation or encumbrance.

SEC. 3. The tribe's assets shall be distributed in accordance with the following provisions:

(a) If the State of South Carolina by legislation authorizes assets that are held by the State in trust for the tribe to be included in the distribution plan prepared by the Secretary in accordance with the provisions of this Act, they may be included.

(b) The tribal council shall designate any part of the tribe's land that is to be set aside for church, park, playground, or cemetery purposes and the Secretary is authorized to convey such tracts to trustees or agencies designated by the tribal council for that purpose and approved by the Secretary.

(c) The remaining tribal assets shall be appraised by the Secretary and the share of each member shall be determined by dividing the total number of enrolled members into the total appraisal. The tribal

assets so appraised shall not include any improvements that were placed on the part of an assignment that is selected by an assignee, or his wife or children, pursuant to subsection (d) of this section. Such improvements shall be property of the assignee.

(d) Subject to the provisions of this subsection, each member who is an adult under the laws of the State and who has an assignment shall be given the option of selecting and receiving title to any part of his assignment that has an appraised value not in excess of his share of the tribe's assets. A wife, husband, or child of such adult member may select and receive title to any part of such assignment that has an appraised value not in excess of her or his share of the tribe's assets; and, if the child is a minor under the laws of the State, the option on his behalf may be exercised by such adult member. Each selection shall be subject to the approval of the Secretary of the Interior, who shall consider the effect of the selection on the total value of the property. The title to any part of an assignment so selected may be taken in the name of the person entitled thereto, or the title to all of the parts of an assignment so selected may be taken in the names of the persons entitled thereto as tenants in common.

(e) Each member who has no assignment may select and receive title to any part of the tribal land that is not selected pursuant to subsection (d) of this section and that has an appraised value not in excess of his share of the tribe's assets.

(f) All assets of the tribe that are not selected and conveyed to members pursuant to subsections (d) and (e) of this section shall be sold and the proceeds distributed to the members in accordance with their respective interests. Such sales shall be by competitive bid and any member shall have the right to purchase property offered for sale for a price not less than the highest acceptable bid therefor. If more than one member exercises such right, the property shall be sold to the member exercising the right who offers the highest price. Any tribal assets that are not sold by the Secretary within two years from the date of the notice provided for in section 1 of this Act shall be conveyed to a trustee selected by the Secretary for disposition in accordance with this subsection, and the fees and expenses of such trustee shall be paid out of funds appropriated for the purposes of this Act.

SEC. 4. The Secretary of the Interior is authorized to make such land surveys and to execute such conveyancing instruments as he deems necessary to convey marketable and recordable titles to the tribal assets disposed of pursuant to this Act. Each grantee shall receive an unrestricted title to the property conveyed.

Land surveys.

SEC. 5. The constitution of the tribe adopted pursuant to the Act of June 18, 1934 (48 Stat. 984), as amended, shall be revoked by the Secretary. Thereafter, the tribe and its members shall not be entitled to any of the special services performed by the United States for Indians because of their status as Indians, all statutes of the United States that affect Indians because of their status as Indians shall be inapplicable to them, and the laws of the several States shall apply to them in the same manner they apply to other persons or citizens within their jurisdiction. Nothing in this Act, however, shall affect the status of such persons as citizens of the United States.

25 USC 461-479.

SEC. 6. Nothing in this Act shall affect the rights, privileges, or obligations of the tribe and its members under the laws of South Carolina.

SEC. 7. No property distributed under the provisions of this Act shall at the time of distribution be subject to any Federal or State income tax. Following any distribution of property made under the

Tax exemption.

provisions of this Act, such property and income derived therefrom by the distributee shall be subject to the same taxes, State and Federal, as in the case of non-Indians: *Provided*, That for the purpose of capital gains or losses the base value of the property shall be the value of the property when distributed to the grantee.

Education program.

SEC. 8. Prior to the revocation of the tribal constitution provided for in this Act, the Secretary is authorized to undertake, within the limits of available appropriations, a special program of education and training designed to help the members of the tribe to earn a livelihood, to conduct their own affairs, and to assume their responsibilities as citizens without special services because of their status as Indians. Such program may include language training, orientation in non-Indian community customs and living standards, vocational training and related subjects, transportation to the place of training or instruction, and subsistence during the course of training or instruction. For the purposes of such program, the Secretary is authorized to enter into contracts or agreements with any Federal, State, or local governmental agency, corporation, association, or persons. Nothing in this section shall preclude any Federal agency from undertaking any other program for the education and training of Indians with funds appropriated to it.

[H. R. 8587]

To provide for the equalization of allotments on the Agua Caliente (Palm Springs) Reservation in California, and for other purposes.

Agua Caliente
Reservation,
Calif.
Allotments,
equalization.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That the Secretary of the Interior (hereinafter called the "Secretary") is authorized and directed to do whatever is necessary and proper to equalize as nearly as possible the values of all allotments of land on the Agua Caliente (Palm Springs) Reservation in California in accordance with the provisions of this Act.

SEC. 2. Any member of the Agua Caliente Band (hereinafter called the "band") who is living on the date of the enactment of this Act and who has not received an allotment of land shall be given an allotment in accordance with the provisions of law existing prior to this Act. No further allotments of land shall thereafter be made to any other or future born members of the band, or to their heirs or devisees, except for the purpose of equalization. This prohibition against further allotments shall not be construed as a closing of the band's membership rolls.

Land values.

SEC. 3. (a) The Secretary shall determine on the basis of the contract appraisals that were made in 1957 and 1958 (1) the value of all unallotted tribal land, and (2) the value of the allotment of each allottee who is living on the date of this Act, excluding the value of any improvements thereon. Where lands of a living allottee have been sold under the supervision of the Secretary, their value for the purpose of equalization shall be the amount received from such sale, excluding the value assigned to any improvements thereon. Where lands of a living allottee have been fee patented to and sold by the allottee, their value for the purpose of equalization shall be the appraised value of the lands, excluding improvements, as of the time

of the sale, regardless of the amount received from the sale. The allotments of allottees who are not living on the date of this Act shall be excluded from the equalization program. All values so determined by the Secretary shall be final and conclusive for the purposes of this Act.

(b) In no event shall the following tribal lands be subject to allotment, and they shall henceforth be set apart and designated as tribal reserves for the benefit and use of the band:

Cemetery numbered 1, block 235, section 14, township 4 south, range 4 east.

Cemetery numbered 2, as now constituted pursuant to secretarial order, comprising approximately two acres.

Roman Catholic Church, as now constituted pursuant to secretarial order, comprising approximately two acres.

Mineral Springs, lots 3a, 4a, 13, and 14, section 14, township 4 south, range 4 east: *Provided*, That no distribution to member of the band of the net rents, profits, and other revenues derived from that portion of these lands which is designated as "parcel B" in the supplement dated September 8, 1958, to the lease by and between the Agua Caliente Band of Mission Indians and Palm Springs Spa dated January 21, 1958, or of the net income derived from the investment of such net rents, profits, and other revenues or from the sale of said lands or of assets purchased with the net rents, profits, and other revenues aforesaid or with the net income from the investment thereof shall be made except to those enrolled members who are entitled to an equalization allotment or to a cash payment in satisfaction thereof under this Act or, in the case of such a member who died after the enactment of this Act, to those entitled to participate in his estate, and any such distribution shall be per capita to living enrolled members and per stirpes to participants in the estate of a deceased member.

San Andreas Canyon, west half southeast quarter, southeast quarter southeast quarter section 3, township 5 south, range 4 east.

Palm Canyon, south half and south half north half section 14, township 5 south, range 4 east; all section 24, township 5 south, range 4 east.

Tahquitz Canyon, southwest quarter section 22, township 4 south, range 4 east; north half section 28, township 4 south, range 4 east.

Murray Canyon, east half section 10, township 5 south, range 4 east.

(c) On the basis of such values, the Secretary shall determine the highest level of equalization that is feasible for the members of the band who are living at the time of this Act by allotting all of the unallotted tribal land, except the reserved areas listed in subsection (b) of this section, without regard to acreage limitations heretofore imposed by law. Such unallotted tribal land shall then be allotted to those members who have received allotments with a value that is less than the equalization figure deemed feasible in accordance with procedures prescribed by the Secretary. No selection of an allotment pursuant to such procedures shall create a vested right in the land until all selections authorized by this Act have been made, included in one schedule, and approved by the Secretary. Allotments thereafter made shall be subject to the same laws and regulations that apply to other trust allotments on the Agua Caliente Reservation.

(d) The unallotted portions of section 18, township 4 south, range 5 east, and section 12, township 4 south, range 4 east, that are in the municipal airport for the city of Palm Springs shall be subject to allotment as a part of the equalization program, subject to the following qualifications: If within thirty days after the date of this Act a majority of the adult members of the band who are eligible to vote agree, the Secretary may offer to sell such land to the city for its

Sale of land.

appraised value on the date of this Act, and the Secretary shall cause an independent appraisal thereof to be made by an appraiser he shall select who shall be approved jointly by the band and the city before proceeding with such appraisal, the costs for the appraisal to be shared by the band and the city; thereafter the Secretary shall review the completed appraisal and shall, if approved, then submit copies to both the band and the city for their approval which shall be either accepted or rejected in writing within thirty days; and if within three hundred and sixty-five days after joint acceptance of such appraisal by the band and the city, the city accepts the offer and tenders payment in full, the Secretary shall complete the sale, and any allottees who may have made or who may thereafter make an equalization selection from the lands sold to the city shall receive in lieu of the allotment selected his proportionate share of the proceeds of the sale.

Appointment of
guardians.

SEC. 4. The Secretary shall request the appointment of a guardian of the estate of all minor allottees and for those adult allottees who in his judgment are in need of assistance in handling their affairs in accordance with applicable State laws before making any equalization allotment or payment to such persons.

Tax exemption.

SEC. 5. (a) The right to an equalization allotment or to a cash payment in lieu thereof pursuant to section 3, subsection (d), of this Act, shall be transferable by will or descent in the same manner as are trust payments under existing law and shall not be subject to State or Federal inheritance, estate, legacy, or succession taxes.

(b) A cash payment made in lieu of an equalization allotment pursuant to section 3, subsection (d), of this Act shall not be regarded as income or capital gain for purposes of Federal or State income taxation and shall not, as long as it remains in the form of cash or a bank deposit in the ownership of the allottee, be subject to taxation as personal property.

Attachments or
levies.

SEC. 6. (a) Equalization allotments made pursuant to this Act shall not be subject to assignment, sale, or hypothecation or to any attachment or levy for claims or debts created before or after the effective date of this Act, without the written approval of the Secretary, and any such assignment, sale, hypothecation, attachment, or levy that has not been so approved by the Secretary shall be absolutely null and void.

Legal services,
etc.

(b) No equalization allotment made pursuant to this Act, and no basic allotment made prior to this Act, shall be subject to an equitable charging lien or other charge or lien or enforced sale for any advantage or benefit which the allottee has received or will receive under or as a consequence of enactment of this Act, nor shall any lis pendens heretofore or hereafter filed upon such lands while in a restricted status be of any effect or constitute notice of any action. Whoever directly or indirectly accepts or receives any money or other form of compensation for legal services in connection with such restricted lands from any person who has not expressly employed him as his attorney shall be liable, in a civil action brought by the payor or his heirs or devisees or by the United States on his behalf, for twice the amount so accepted or received unless, prior to the time of acceptance or receipt of said compensation, the right to such compensation has been determined and the amount thereof fixed by a formal order of the Federal court having jurisdiction to make such order. Nothing herein provided shall be construed to prevent any attorney from petitioning the Federal court having jurisdiction to fix and determine the fees to which he is entitled and to pursue and enforce payment thereof in any lawful manner after the court has made such order.

SEC. 7. Allotments in accordance with the provisions of this Act shall be deemed complete and full equalization of allotments on the Agua Caliente Reservation.

SEC. 8. The band may, at any time it wishes to do so, organize a legal entity under the laws of the State of California and request the Secretary to transfer to such legal entity title to the lands in the reserves established by subsection 3(b) of this Act. The Secretary shall transfer an unrestricted title to such property if the organization of the legal entity and request for the transfer have been approved by a majority of the adult members of the band who are eligible to vote, and if in the judgment of the Secretary the legal entity is organized in a form and manner that is fair to all members of the band: *Provided, however,* That if the lands to which the proviso to the fourth item in subsection 3(b) of this Act is applicable are transferred to such an entity, they shall be held by it subject to the terms provided in said proviso, and the rights and duties therein set forth shall be preserved and reflected in any distribution of securities of, or other evidences of participation in, said entity.

JOINT RESOLUTION

To authorize the designation of the period of October 17 to October 24, 1959, as National Olympic Week.

Whereas the games of the XVII Olympiad will be held in Rome, Italy, August 25 to September 11, 1960, with winter games to be held at Squaw Valley, California, February 18 to February 28, 1960; and

Whereas these games will afford an opportunity of bringing together young men and women representing more than seventy nations, of many races, creeds, and stations in life and possessing various habits and customs, all bound by the universal appeal of friendly athletic competition, governed by rules of sportsmanship and dedicated to the principle that the important thing is for each and every participant to do his very best to win in a manner that will reflect credit upon himself or herself, and the country represented; and

Whereas the peoples of the world in these trying times require above all else occasions for friendship and understanding, and among the most telling things which influence people of other countries are the acts of individuals and not those of governments; and

Whereas experiences afforded by the Olympic games make a unique contribution to common understanding and mutual respect among all peoples; and

Whereas previous Olympic games have proved that competitors and spectators alike have been imbued with ideals of friendship, chivalry, and comradeship and impressed with the fact that accomplishment is reward in itself; and

Whereas the United States Olympic Association is presently engaged in assuring maximum support for the teams representing the United States at Squaw Valley, California, and Rome, Italy; and

Whereas a week set aside by this Nation for a rededication to the amateur ideal could accomplish great good in encouraging good will for these games: Therefore be it

“SEC. 5. The organization certificate shall be presented to the Director for approval. Before any organization certificate is approved, an appropriate investigation shall be made for the purpose of determining (1) whether the organization certificate conforms to the provisions of this Act; (2) the general character and fitness of the subscribers thereto; and (3) the economic advisability of establishing the proposed Federal credit union. Upon approval of such organization certificate by the Director it shall be the charter of the corporation, and one of the originals thereof shall be delivered to the corporation after the payment of the fee required therefor. Upon such approval the Federal credit union shall be a body corporate and as such, subject to the limitations herein contained, shall be vested with all of the powers and charged with all of the liabilities conferred and imposed by this Act upon corporations organized hereunder.

“FEES

“SEC. 6. For the purpose of paying the costs incident to the ascertainment of whether an organization certificate should be approved, the subscribers to any such certificate shall pay, at the time of filing their organization certificate, the amount prescribed by the Director, which shall not exceed \$20 in any case; and on the approval of any organization certificate they shall also pay a fee of \$5. Not later than January 31 of each calendar year, each Federal credit union shall pay to the Bureau, for the preceding calendar year, a supervision fee in accordance with a graduated scale prescribed by regulation on the basis of assets as of December 31 of such preceding year, but such fee shall in no event be less than \$10 nor more than the applicable amount specified in the following table:

“Total assets	Maximum fee
\$500,000 or less	30 cents per \$1,000.
Over \$500,000 and not over \$1,000,000	\$150, plus 25 cents per \$1,000 in excess of \$500,000.
Over \$1,000,000 and not over \$2,000,000	\$275, plus 20 cents per \$1,000 in excess of \$1,000,000.
Over \$2,000,000 and not over \$5,000,000	\$475, plus 15 cents per \$1,000 in excess of \$2,000,000.
Over \$5,000,000	\$925, plus 10 cents per \$1,000 in excess of \$5,000,000.

All such fees shall be deposited with the Treasurer of the United States for the account of the Bureau and may be expended by the Director for such administrative, supervisory, and other expenses incurred in carrying out the provisions of this Act as he may determine to be proper, the purpose of such fees being to defray such expenses as far as practicable. No annual supervision fee shall be payable by a Federal credit union with respect to the year in which its charter is issued, or in which final distribution is made in its liquidation or the charter is otherwise canceled.

“REPORTS AND EXAMINATIONS

“SEC. 7. Federal credit unions shall be under the supervision of the Director, and shall make financial reports to him as and when he may require, but at least annually. Each Federal credit union shall be subject to examination by, and for this purpose shall make its books and records accessible to, any person designated by the Director. The Director shall fix a scale of examination fees to be paid by Federal credit unions, giving due consideration to the time and expense incident to such examinations, and to the ability of Federal credit

unions to pay such fees, which fees shall be assessed against and paid by each Federal credit union promptly after the completion of such examination. Examination fees collected under the provisions of this section shall be deposited to the credit of the special fund created by section 6, and shall be available for the purposes specified in such section.

“POWERS

“SEC. 8. A Federal credit union shall have succession in its corporate name during its existence and shall have power—

“(1) to make contracts;

“(2) to sue and be sued;

“(3) to adopt and use a common seal and alter the same at pleasure;

“(4) to purchase, hold, and dispose of property necessary or incidental to its operations;

“(5) to make loans with maturities not exceeding five years to its members for provident or productive purposes upon such terms and conditions as this Act and its bylaws provide and as the credit committee or a loan officer may approve, at rates of interest not exceeding 1 per centum per month on unpaid balances, inclusive of all charges incident to making the loan; except that no loans to a director or member of the supervisory or credit committee shall exceed the amount of his holdings in the Federal credit union as represented by shares thereof plus the total unencumbered and unpledged shareholdings in the Federal credit union of any member pledged as security for the obligation of such director or committee member. No director or member of the supervisory or credit committee shall endorse for borrowers. A borrower may repay his loan, prior to maturity, in whole or in part on any business day. The taking, receiving, reserving, or charging of a rate of interest greater than is allowed by this paragraph, when knowingly done, shall be deemed a forfeiture of the entire interest which the note, bill, or other evidence of debt carries with it, or which has been agreed to be paid thereon. If such greater rate of interest has been paid, the person by whom it has been paid, or his legal representatives, may recover back from the credit union taking or receiving the same, in an action in the nature of an action of debt, the entire amount of interest paid; but such action must be commenced within two years from the time the usurious collection was made. Loans shall be paid or amortized in accordance with rules and regulations prescribed by the Director after taking into account the needs or conditions of the borrowers, the amounts and duration of the loans, the interests of the members and the credit unions, and such other factors as the Director deems relevant, but such rules and regulations shall not require payments more frequently than annually;

“(6) to receive from its members payments on shares;

“(7) to invest its funds (A) in loans exclusively to members; (B) in obligations of the United States of America, or securities fully guaranteed as to principal and interest thereby; (C) in accordance with rules and regulations prescribed by the Director, in loans to other credit unions in the total amount not exceeding 25 per centum of its paid-in and unimpaired capital and surplus; or (D) in shares or accounts of savings and loan associations, the accounts of which are insured by the Federal Savings and Loan Insurance Corporation;

"(8) to make deposits in national banks and in State banks, trust companies, and mutual savings banks operating in accordance with the laws of the State in which the Federal credit union does business;

"(9) to borrow, in accordance with such rules and regulations as may be prescribed by the Director, from any source, in an aggregate amount not exceeding 50 per centum of its paid-in and unimpaired capital and surplus: *Provided*, That any Federal credit union may discount with or sell to any Federal intermediate credit bank any eligible obligations up to the amount of its paid-in and unimpaired capital;

"(10) to levy late charges, in accordance with the bylaws, for failure of members to meet promptly their obligations to the Federal credit union;

"(11) to impress and enforce a lien upon the shares and dividends of any member, to the extent of any loan made to him and any dues or charges payable by him;

"(12) in accordance with rules and regulations prescribed by the Director, to sell to members negotiable checks (including travelers checks) and money orders, and to cash checks and money orders for members, for a fee which does not exceed the direct and indirect costs incident to providing such service; and

"(13) to exercise such incidental powers as shall be necessary or requisite to enable it to carry on effectively the business for which it is incorporated.

"BYLAWS

"SEC. 9. In order to simplify the organization of Federal credit unions the Director shall from time to time cause to be prepared a form of organization certificate and a form of bylaws, consistent with this Act, which shall be used by Federal credit union incorporators, and shall be supplied to them on request. At the time of presenting the organization certificate the incorporators shall also submit proposed bylaws to the Director for his approval.

"MEMBERSHIP

"SEC. 10. Federal credit union membership shall consist of the incorporators and such other persons and incorporated and unincorporated organizations, to the extent permitted by rules and regulations prescribed by the Director, as may be elected to membership and as such shall each, subscribe to at least one share of its stock and pay the initial installment thereon and the entrance fee; except that Federal credit union membership shall be limited to groups having a common bond of occupation or association, or to groups within a well-defined neighborhood, community, or rural district. Shares may be issued in joint tenancy with right of survivorship with any persons designated by the credit union member, but no joint tenant shall be permitted to vote, obtain loans, or hold office, unless he is within the field of membership and is a qualified member.

"MEMBERS' MEETINGS

"SEC. 11. The fiscal year of all Federal credit unions shall end December 31. The annual meeting of each Federal credit union shall be held at such time during the month of the following January and at such place as its bylaws shall prescribe. Special meetings may be held in the manner indicated in the bylaws. No member shall be entitled to vote by proxy, but a member other than a natural person

may vote through an agent designated for the purpose. Irrespective of the number of shares held by him, no member shall have more than one vote.

"MANAGEMENT

"SEC. 12. The business affairs of a Federal credit union shall be managed by a board of not less than five directors, and a credit committee of not less than three members, all to be elected at the annual members' meeting by and from the members, and by a supervisory committee of three members, one of whom may be a director other than the treasurer, to be appointed by the board. Any vacancy occurring in the supervisory committee shall be filled in the same manner as original appointments to such committee. All members of the board and of such committees shall hold office for such terms, respectively, as the bylaws may provide. A record of the names and addresses of the members of the board and such committees and of the officers of the credit union shall be filed with the Bureau within ten days after their election or appointment. No member of the board or of either such committee shall, as such, be compensated.

"OFFICERS

"SEC. 13. At their first meeting after the annual meeting of the members, the directors shall elect from their number a president, one or more vice presidents, a secretary, and a treasurer, who shall be the executive officers of the corporation. No executive officer, except the treasurer, shall be compensated as such. The offices of secretary and treasurer may be held by the same person. The duties of the officers shall be as determined by the bylaws, except that the treasurer shall be the general manager of the corporation. Before the treasurer shall enter upon his duties he shall give bond with good and sufficient surety, in an amount and character to be determined by the board of directors in compliance with regulations prescribed from time to time by the Director, conditioned upon the faithful performance of his trust.

"DIRECTORS

"SEC. 14. The board of directors shall meet at least once a month and shall have the general direction and control of the affairs of the corporation. Minutes of all such meetings shall be kept. Among other things they shall act upon applications for membership; require any officer or employee having custody of or handling funds to give bond with good and sufficient surety in an amount and character to be determined by the board of directors in compliance with regulations prescribed from time to time by the Director, and authorize the payment of the premium or premiums therefor from the funds of the Federal credit union; fill vacancies in the board and in the credit committee until successors elected at the next annual meeting have qualified; have charge of investments other than loans to members; determine from time to time the maximum number of shares that may be held by an individual; subject to the limitations of this Act, determine the interest rates on loans and the maximum amount which may be loaned with or without security to any member; subject to such regulations as may be issued by the Director, authorize an interest refund to members of record at the close of business on December 31 in proportion to the interest paid by them during that year; and provide for compensation of necessary clerical and auditing assistance requested by the supervisory committee, and of loan officers appointed by the credit committee. The board may appoint an executive com-

mittee of not less than three directors to act for it in the purchase and sale of securities or the making of loans to other credit unions, or both. Such executive committee or a membership officer appointed by the board from among the members of the credit union, other than the treasurer, an assistant treasurer, or a loan officer, may be authorized by the board to approve applications for membership under such conditions as the board may prescribe; except that such committee or membership officer so authorized shall submit to the board at each monthly meeting a list of approved or pending applications for membership received since the previous monthly meeting, together with such other related information as the bylaws or the board may require.

"CREDIT COMMITTEE

"SEC. 15. The credit committee shall hold such meetings as the business of the Federal credit union may require and not less frequently than once a month to consider applications for loans. Reasonable notice of such meetings shall be given to all members of the committee. No loan shall be made unless it is approved by a majority of the entire committee and by all members of the committee who are present at the meeting at which the application is considered; except that the credit committee may appoint one or more loan officers, and delegate to him or them the power to approve loans up to the unsecured limit, or in excess of such limit if such excess is fully secured by unpledged shares. Each loan officer shall furnish to the credit committee a record of each loan approved or not approved by him within seven days of the date of the filing of the application therefor. All loans not approved by a loan officer shall be acted upon by the credit committee. No individual shall have authority to disburse funds of the Federal credit union for any loan which has been approved by him in his capacity as a loan officer. Not more than one member of the credit committee may be appointed as a loan officer. Applications for loans shall be made on forms prepared by such committee, which shall set forth the purpose for which the loan is desired, the security, if any, and such other data as may be required. No loan shall be made to any member which causes such member to become indebted to the Federal credit union in an aggregate amount, upon loans made to such member, which is in excess of \$200 or 10 per centum of the credit union's paid-in unimpaired capital and surplus, whichever is greater, or in excess of \$750 unless such excess over \$750 is adequately secured. For the purposes of this section an assignment of shares or the endorsement of a note shall be deemed security.

"SUPERVISORY COMMITTEE

"SEC. 16. The supervisory committee shall make or cause to be made, at least quarterly, an examination of the affairs of the Federal credit union, including an audit of its books; shall make or cause to be made a report of its quarterly examination to the board of directors; shall make or cause to be made an annual audit, a report of which shall be submitted to the members at the next annual meeting of the corporation; may suspend by a unanimous vote any officer of the corporation or any member of the credit committee or of the board of directors, until the next members' meeting, which members' meeting shall be held not less than seven nor more than fourteen days after such suspension and at which meeting such suspension shall be acted upon by the members; and may call by a majority vote a special meeting of the shareholders to consider any violation of this Act, the charter, or the bylaws, or any practice of the corporation deemed by the supervisory committee to be unsafe or unauthorized. Any member of the super-

visory committee may be suspended by the board of directors. The members shall decide, at a meeting held not less than seven nor more than fourteen days after any such suspension, whether the suspended committee member shall be removed from or restored to the supervisory committee. The supervisory committee shall cause the passbooks and accounts of the members to be verified with the records of the treasurer from time to time, and not less frequently than once every two years. As used in this section, the term 'passbook' shall include any book, statement of account, or other record approved by the Director for use by Federal credit unions.

"RESERVES

"SEC. 17. All entrance fees and charges provided by the bylaws and 20 per centum of the net earnings of each dividend period, before the declaration of any dividends, shall be set aside as a regular reserve against losses on bad loans and such other losses as may be specified in the bylaws in accordance with regulations prescribed under this Act: *Provided, however,* That when the regular reserve thus established shall equal 10 per centum of the total amount of members' shareholdings, no further transfer of net earnings to such regular reserve shall be required except that such amounts not in excess of 20 per centum of the net earnings as may be needed to maintain this 10 per centum ratio shall continue to be transferred. In addition to such regular reserve, special reserves to protect the interests of members shall be established when required (1) by regulation, or (2) in any special case, when found by the Director to be necessary for that purpose.

"DIVIDENDS

"SEC. 18. Annually or semiannually, as the bylaws may provide, and after provision for the required reserves, the board of directors may declare a dividend to be paid from the remaining net earnings. Such dividends shall be paid on all paid-up shares outstanding at the end of the period for which the dividend is declared. Shares which become fully paid up during such dividend period and are outstanding at the close of the period shall be entitled to a proportional part of such dividend. Dividend credit for a month may be accrued on shares which are or become fully paid up during the first five days of that month.

"EXPULSION AND WITHDRAWAL

"SEC. 19. A member may be expelled by a two-thirds vote of the members of a Federal credit union present at a special meeting called for the purpose, but only after an opportunity has been given him to be heard. Withdrawal or expulsion of a member shall not operate to relieve him from liability to the Federal credit union. The amount to be paid a withdrawing or expelled member by a Federal credit union shall be determined and paid in the manner specified in the bylaws.

"MINORS

"SEC. 20. Shares may be issued in the name of a minor or in trust, subject to such conditions as may be prescribed by the bylaws. When shares are issued in trust, the name of the beneficiary shall be disclosed to the Federal credit union.

"CERTAIN POWERS OF DIRECTOR

"SEC. 21. (a) The Director may prescribe rules and regulations for the administration of this Act (including, but not by way of limitation, the merger, consolidation, and dissolution of corporations organized under this Act).

"(b)(1) The Director may suspend or revoke the charter of any Federal credit union, or place the same in involuntary liquidation and appoint a liquidating agent therefor, upon his finding that the organization is bankrupt or insolvent, or has violated any of the provisions of its charter, its bylaws, this Act, or any regulations issued thereunder.

"(2) The Director, through such persons as he shall designate, may examine any Federal credit union in voluntary liquidation and, upon his finding that such voluntary liquidation is not being conducted in an orderly or efficient manner or in the best interests of its members, may terminate such voluntary liquidation and place such organization in involuntary liquidation and appoint a liquidating agent therefor.

"(3) Such liquidating agent shall have power and authority, subject to the control and supervision of the Director and under such rules and regulations as the Director may prescribe, (A) to receive and take possession of the books, records, assets, and property of every description of the Federal credit union in liquidation, to sell, enforce collection of, and liquidate all such assets and property, to compound all bad or doubtful debts, and to sue in his own name or in the name of the Federal credit union in liquidation, and defend such actions as may be brought against him as liquidating agent or against the Federal credit union; (B) to receive, examine, and pass upon all claims against the Federal credit union in liquidation, including claims of members on shares; (C) to make distribution and payment to creditors and members as their interests may appear; and (D) to execute such documents and papers and to do such other acts and things which he may deem necessary or desirable to discharge his duties hereunder.

"(4) Subject to the control and supervision of the Director and under such rules and regulations as the Director may prescribe, the liquidating agent of a Federal credit union in involuntary liquidation shall (A) cause notice to be given to creditors and members to present their claims and make legal proof thereof, which notice shall be published once a week in each of three successive weeks in a newspaper of general circulation in each county in which the Federal credit union in liquidation maintained an office or branch for the transaction of business on the date it ceased unrestricted operations; except that whenever the aggregate book value of the assets and property of a Federal credit union in involuntary liquidation is less than \$1,000, unless the Director shall find that its books and records do not contain a true and accurate record of its liabilities, he shall declare such Federal credit union in liquidation to be a 'no publication' liquidation, and publication of notice to creditors and members shall not be required in such case; (B) from time to time make a ratable dividend on all such claims as may have been proved to his satisfaction or adjudicated in a court of competent jurisdiction and, after the assets of such organization have been liquidated, make further dividends on all claims previously proved or adjudicated, and he may accept in lieu of a formal proof of claim on behalf of any creditor or member the statement of any amount due to such creditor or member as shown on the books and records of the credit union; but all claims not filed before payment of the final dividend shall be barred and claims rejected or disallowed by the liquidating agent shall be likewise barred unless

suit be instituted thereon within three months after notice of rejection or disallowance; and (C) in a 'no publication' liquidation, determine from all sources available to him, and within the limits of available funds of the Federal credit union, the amounts due to creditors and members, and after sixty days shall have elapsed from the date of his appointment distribute the funds of the Federal credit union to creditors and members ratably and as their interests may appear.

"(5) Upon certification by the liquidating agent in the case of an involuntary liquidation, and upon such proof as shall be satisfactory to the Director in the case of a voluntary liquidation, that distribution has been made and that liquidation has been completed, as provided herein, the Director shall cancel the charter of such Federal credit union; but the corporate existence of the Federal credit union shall continue for a period of three years from the date of such cancellation of its charter, during which period the liquidating agent, or his duly appointed successor, or such persons as the Director shall designate, may act on behalf of the Federal credit union for the purpose of paying, satisfying, and discharging any existing liabilities or obligations, collecting and distributing its assets, and doing all other acts required to adjust and wind up its business and affairs, and it may sue and be sued in its corporate name.

"(c) After the expiration of five years from the date of cancellation of the charter of a Federal credit union the Director may, in his discretion, destroy any or all books and records of such Federal credit union in his possession or under his control.

"(d) The Director is authorized and empowered to execute any and all functions and perform any and all duties vested in him hereby, through such persons as he shall designate or employ; and he may delegate to any person or persons, including any institution operating under the general supervision of the Bureau, the performance and discharge of any authority, power, or function vested in him by this Act.

"(e) All books and records of Federal credit unions shall be kept and reports shall be made in accordance with forms approved by the Director.

"(f) The Director is authorized to make investigations and to conduct researches and studies of the problems of persons of small means in obtaining credit at reasonable rates of interest, and of the methods and benefits of cooperative saving and lending among such persons. He is further authorized to make reports of such investigations and to publish and disseminate the same.

"(g) Any officer or employee of the Bureau is authorized, when designated for the purpose by the Director, to administer oaths and affirmations and to take affidavits and depositions touching upon any matter within the jurisdiction of the Bureau.

"(h) The Director is authorized, empowered, and directed to require that every person appointed or elected by any Federal credit union to any position requiring the receipt, payment, or custody of money or other personal property owned by a Federal credit union, or in its custody or control as collateral or otherwise, give bond in a corporate surety company holding a certificate of authority from the Secretary of the Treasury under the Act approved July 30, 1947 (6 U.S.C., secs. 6-13), as an acceptable surety on Federal bonds. Any such bond or bonds shall be in a form approved by the Director with a view to providing surety coverage to the Federal credit union with reference to loss by reason of acts of fraud or dishonesty including forgery, theft, embezzlement, wrongful abstraction, or misapplication on the part of the person, directly or through connivance with others, and such other surety coverages as the Director may determine to be reasonably

appropriate or as elsewhere required by this Act. Any such bond or bonds shall be in such an amount in relation to the money or other personal property involved or in relation to the assets of the Federal credit union as the Director may from time to time prescribe by regulation for the purpose of requiring reasonable coverage. In lieu of individual bonds the Director may approve the use of a form of schedule or blanket bond which covers all of the officers and employees of a Federal credit union whose duties include the receipt, payment, or custody of money or other personal property for or on behalf of the Federal credit union. The Director may also approve the use of a form of excess coverage bond whereby a Federal credit union may obtain an amount of coverage in excess of the basic surety coverage.

"FISCAL AGENTS AND DEPOSITORIES

"SEC. 22. Each Federal credit union organized under this Act, when requested by the Secretary of the Treasury, shall act as fiscal agent of the United States and shall perform such services as the Secretary of the Treasury may require in connection with the collection of taxes and other obligations due the United States and the lending, borrowing, and repayment of money by the United States, including the issue, sale, redemption, or repurchase of bonds, notes, Treasury certificates of indebtedness, or other obligations of the United States; and to facilitate such purposes the Director shall furnish to the Secretary of the Treasury from time to time the names and addresses of all Federal credit unions with such other available information concerning them as may be requested by the Secretary of the Treasury. Any Federal credit union organized under this Act, when designated for that purpose by the Secretary of the Treasury, shall be a depository of public money, except receipts from customs, under such regulations as may be prescribed by the Secretary of the Treasury.

"TAXATION

"SEC. 23. The Federal credit unions organized hereunder, their property, their franchises, capital, reserves, surpluses, and other funds, and their income shall be exempt from all taxation now or hereafter imposed by the United States or by any State, Territorial, or local taxing authority; except that any real property and any tangible personal property of such Federal credit unions shall be subject to Federal, State, Territorial, and local taxation to the same extent as other similar property is taxed. Nothing herein contained shall prevent holdings in any Federal credit union organized hereunder from being included in the valuation of the personal property of the owners or holders thereof in assessing taxes imposed by authority of the State or political subdivision thereof in which the Federal credit union is located; but the duty or burden of collecting or enforcing the payment of such a tax shall not be imposed upon any such Federal credit union and the tax shall not exceed the rate of taxes imposed upon holdings in domestic credit unions.

"PARTIAL INVALIDITY; RIGHT TO AMEND

"SEC. 24. (a) If any provision of this Act, or the application thereof to any person or circumstance, is held invalid, the remainder of the Act, and the application of such provision to other persons or circumstances, shall not be affected thereby.

"(b) The right to alter, amend, or repeal this Act or any part thereof, or any charter issued pursuant to the provisions of this Act, is expressly reserved.

"SPACE IN FEDERAL BUILDINGS

"SEC. 25. Upon application by any credit union organized under State law or by any Federal credit union organized in accordance with the terms of this Act, at least 95 per centum of the membership of which is composed of persons who either are presently Federal employees or were Federal employees at the time of admission into the credit union, and members of their families, which application shall be addressed to the officer or agency of the United States charged with the allotment of space in the Federal buildings in the community or district in which such credit union does business, such officer or agency may in his or its discretion allot space to such credit union if space is available without charge for rent or services.

"CONVERSION FROM FEDERAL TO STATE CREDIT UNION AND FROM STATE TO
FEDERAL CREDIT UNION

"SEC. 26. (a) A Federal credit union may be converted into a State credit union under the laws of any State, the District of Columbia, the several Territories and possessions of the United States, the Panama Canal Zone, or the Commonwealth of Puerto Rico, by complying with the following requirements:

"(1) The proposition for such conversion shall first be approved, and a date set for a vote thereon by the members (either at a meeting to be held on such date or by written ballot to be filed on or before such date), by a majority of the directors of the Federal credit union. Written notice of the proposition and of the date set for the vote shall then be delivered in person to each member, or mailed to each member at the address for such member appearing on the records of the credit union, not more than thirty nor less than seven days prior to such date. Approval of the proposition for conversion shall be by the affirmative vote of a majority of the members, in person or in writing.

"(2) A statement of the results of the vote, verified by the affidavits of the president or vice president and the secretary, shall be filed with the Bureau within ten days after the vote is taken.

"(3) Promptly after the vote is taken and in no event later than ninety days thereafter, if the proposition for conversion was approved by such vote, the credit union shall take such action as may be necessary under the applicable State law to make it a State credit union, and within ten days after receipt of the State credit union charter there shall be filed with the Bureau a copy of the charter thus issued. Upon such filing the credit union shall cease to be a Federal credit union.

"(4) Upon ceasing to be a Federal credit union, such credit union shall no longer be subject to any of the provisions of this Act. The successor State credit union shall be vested with all of the assets and shall continue responsible for all of the obligations of the Federal credit union to the same extent as though the conversion had not taken place.

"(b) (1) A State credit union, organized under the laws of any State, the District of Columbia, the several Territories and possessions of the United States, the Panama Canal Zone, or the Commonwealth of Puerto Rico, may be converted into a Federal credit union by (A) complying with all State requirements requisite to enabling it to convert to a Federal credit union or to cease being a State credit union, (B) filing with the Bureau proof of such compliance, satisfactory to the Director, and (C) filing with the Bureau an organization certificate as required by this Act.

"(2) When the Director has been satisfied that all of such requirements, and all other requirements of this Act, have been complied with, the Director shall approve the organization certificate. Upon such approval, the State credit union shall become a Federal credit union as of the date it ceases to be a State credit union. The Federal credit union shall be vested with all of the assets and shall continue responsible for all of the obligations of the State credit union to the same extent as though the conversion had not taken place.

"TERRITORIAL APPLICABILITY OF ACT

"SEC. 27. The provisions of this Act shall apply to the several States, the District of Columbia, the several Territories and possessions of the United States, the Panama Canal Zone, and the Commonwealth of Puerto Rico."

The Commissioner may consent to the release of a part or parts of the mortgaged property from the lien of the mortgage upon such terms and conditions as he may prescribe and the mortgage may provide for such release, and a mortgage of the character described in subsection (g) of this section may provide that, at any time after the release of the project from the rental period prescribed by subsection (d), such mortgage may be replaced, in whole or in part, by individual mortgages covering each individual dwelling in the project in amounts not to exceed the unpaid balance of the blanket mortgage allocable to the individual property. Each such individual mortgage may be insured under this section. Property covered by a mortgage insured under this section may include eight or more family units and may include such commercial and community facilities as the Commissioner deems adequate to serve the occupants.

Savings and loan
holding com-
panies.
Regulation.
48 Stat. 1255.

"REGULATION OF HOLDING COMPANIES

"SEC. 408. (a) (1) As used in this section, the term 'company' means any corporation, business trust, association, or similar organization, but does not include the Federal Savings and Loan Insurance Corporation, any partnership, or any company the majority of the shares of which is owned by the United States or by any State.

Definitions.

"(2) As used in this section (except when used in subsection (f)), the term 'stock' means nonwithdrawable stock, underlying ownership stock other than mutual shares in a mutual institution, permanent stock, guaranty stock, or stock of a similar nature (as defined by the Federal Home Loan Bank Board by regulation) by whatever name called.

"(3) For the purposes of this section, a company shall be considered as having control of an institution or other organization if such company owns, controls, or holds with power to vote more than

10 per centum of the stock of such institution or other organization, or if the Federal Home Loan Bank Board determines, after reasonable notice and opportunity for hearing, that such company directly or indirectly exercises a controlling influence over the management and policies of such institution or other organization.

Insurance appli-
cations.

"(b) (1) The Corporation shall reject any application made for insurance under this title on or after the date of the enactment of this section if it finds that the applicant is controlled by any company which also controls any insured institution or any other applicant for insurance.

"(2) If an application of any institution for insurance under this title is approved on or after the date of the enactment of this section, and the Federal Home Loan Bank Board subsequently determines, after reasonable notice and opportunity for hearing, that at the time of such approval such institution was controlled by a company which also controlled another insured institution (or another applicant for insurance if the application of such other applicant was approved), the Board shall either—

"(A) terminate the insured status of such institution; or

"(B) require such company, in the manner provided in subsection (e) of this section, to dispose of so much of the stock of such institution, or take such other action, or both, as may be necessary to divest itself of its control of such institution.

12 USC 1730.

If the insured status of an institution is terminated under subparagraph (A), the provisions of section 407 relating to continuation of insurance of accounts, examination by the Corporation during the period of such continuation, final insurance premium, and notice to insured members shall be applicable as though the termination had been ordered under such section 407.

Restrictions.

"(c) It shall be unlawful for any company on or after the date of the enactment of this section—

"(1) to acquire the control of more than one insured institution; or

"(2) to acquire the control of an insured institution when it holds the control of any other insured institution.

Acquisition of
stock.

"(d) Any company may, without regard to subsection (c), acquire stock pursuant to a pledge or hypothecation to secure a loan or in connection with the liquidation of a loan, but it shall be unlawful for any such company to retain for more than one year any control the acquisition of which by such company would, except for this subsection, have been unlawful under subsection (c).

Violations, legal
action.

"(e) If, in the opinion of the Federal Home Loan Bank Board, any company holds control of an institution and such control was acquired in violation of subsection (c) or retained in violation of subsection (d), it shall give such company notice that if it does not divest itself of such control within thirty days an action will be brought to force the divestiture thereof. Notice given to such institution shall constitute notice to such company for purposes of the preceding sentence. If such company does not dispose of so much of the stock of such institution, or take such other action, or both, as may be necessary to divest itself of such control within thirty days after the receipt of such notice, the Board shall, without regard to any statute of limitation, institute in the United States district court for the district in which the principal office of such institution is located, and prosecute to final satisfaction, an action to require divestiture of such control. Process in any such action may be served in any district in which such company transacts business or wherever it may be found. The

United States district courts shall have jurisdiction of all actions brought under this subsection and, in view of the fact that the questions involved are of general public importance, shall hear and determine such actions with all reasonable promptness. Any such action shall be brought by the Federal Home Loan Bank Board in its own name and may, in the discretion of the Board, be prosecuted through its own attorneys. All expenses of the Board under this subsection shall be considered as nonadministrative expenses.

“(f) It shall be unlawful, on or after the date of the enactment of this section, for any insured institution which is controlled by a company—

Restrictions.

“(1) to invest any of its funds in the stock, bonds, debentures, or other obligations of such company or of any other organization controlled by such company;

“(2) to accept the stock, bonds, debentures, or other obligations of such company, or of any other organization controlled by such company, as collateral security for advances made to such company or organization or to any other person; except that such institution may accept, and hold for a period not exceeding two years, such stock, bonds, debentures, or other obligations as security for debts contracted prior to the acquisition of such control;

“(3) to purchase securities or other assets or obligations under repurchase agreement from such company or from any other organization controlled by such company; and

“(4) to make any loan, discount, or extension of credit to such company or to any other organization controlled by such company.

Except as otherwise provided by regulation by the Federal Home Loan Bank Board, a non-interest-bearing deposit with a bank, to the credit of an insured institution, shall not be deemed to be a loan, discount, or extension of credit to such bank for purposes of this subsection. As used in this subsection, the term ‘organization’ means a corporation, business trust, association, partnership, or similar organization.

“(g) (1) This section shall terminate May 31, 1961.

Termination.

“(2) The Federal Home Loan Bank Board shall make a full and complete survey of all aspects of savings and loan holding companies, and shall submit a report to the Committees on Banking and Currency of the Senate and the House of Representatives not later than May 31, 1960. This survey shall include studies of the nature, growth, effects and future prospects of savings and loan holding companies, including particularly the extent to which they may have become, or may in the future become, injurious or detrimental to free competition in the field of mortgage lending or in any related field. The report on this survey shall contain a full statement on these matters, together with recommendations for further legislation on this subject. In particular, the report shall review and make recommendations on the legislative proposals submitted at the hearings of the Committees on Banking and Currency on H.R. 7244, Eighty-sixth Congress, including particularly the need for and feasibility of requiring divestment of part or all of the savings and loan associations already acquired or part or all of the other interests of such holding companies, the need for and feasibility of requiring such holding companies to limit their activities or their future acquisitions to a specified distance from their principal offices, and the desirability and feasibility of regulating and controlling further acquisitions of such holding companies, as compared with prohibiting further acquisitions by such holding companies.”

"THE WABASH VALLEY COMPACT

"ARTICLE I

"FINDINGS AND PURPOSE

"The party states find that the Wabash Valley has suffered from a lack of comprehensive planning for the optimal use of its human and natural resources and that underutilization and inadequate benefits from its potential wealth are likely to continue until there is proper organization to encourage and facilitate coordinated development of the Wabash Valley as a region and to relate its agricultural, industrial, commercial, recreational, transportation, development and other problems to the opportunities in the Valley. To this end it is the purpose of the party states to recognize and provide for such development and coordination and to establish an agency of the party states with powers sufficient and appropriate to further regional planning for the Valley.

"ARTICLE II

"THE VALLEY

"As used in this compact, the term 'Wabash Valley' shall mean the Wabash River, its tributaries and all land drained by said river and tributaries, to whatever extent they lie within the party states.

"ARTICLE III

"THE WABASH VALLEY INTERSTATE COMMISSION

"(a) There is hereby created an agency of the party states to be known as the Wabash Valley Interstate Commission (hereinafter called the Commission). The Commission shall be composed of seven Commissioners from each party state designated or appointed in accordance with the law of the state which they represent and serving and subject to removal in accordance with such law. The federal government may be represented without vote if provision is made by federal law for such representation.

"(b) The Commissioners of the party states shall each be entitled to one vote in the Commission. No action of the Commission shall be binding unless taken at a meeting in which a majority of the members from each party state are present and unless a majority of those from each state concur, provided that any action not binding for such a reason may be ratified within thirty days by the concurrence of a majority of each state. In the absence of any Commissioner, his vote may be cast by another representative or Commis-

sioner of his state provided that said Commissioner or other representative casting said vote shall have a written proxy in proper form as may be required by the Commission.

"(c) The Commission may sue and be sued, and shall have a seal.

"(d) The Commission shall elect annually, from among its members, a chairman, a vice-chairman and a treasurer. The Commission shall appoint an executive director who shall also act as secretary, and who, together with the treasurer, shall be bonded in such amounts as the Commission may require.

"(e) The Commission shall appoint and remove or discharge such personnel as may be necessary for the performance of the Commission's functions irrespective of the civil service, personnel or other merit system laws of any of the party states.

"(f) The Commission may establish and maintain, independently or in conjunction with any one or more of the party states, a suitable retirement system for its employees. Employees of the Commission shall be eligible for social security coverage in respect of old-age and survivors insurance provided that the Commission takes such steps as may be necessary pursuant to federal law to participate in such program of insurance as a governmental agency or unit. The Commission may establish and maintain or participate in such additional programs of employee benefits as may be appropriate to afford employees of the Commission terms and conditions of employment similar to those enjoyed by employees of the party states generally.

"(g) The Commission may borrow, accept, or contract for the services of personnel from any state or the United States or any subdivision or agency thereof, from any interstate agency, or from any institution, person, firm or corporation.

"(h) The Commission may accept for any of its purposes and functions under this compact any and all donations, and grants of money, equipment, supplies, materials, and services, conditional or otherwise, from any state of the United States or any subdivision or agency thereof, or interstate agency, or from any institution, person, firm or corporation, and may receive, utilize, and dispose of the same.

"(i) The Commission may establish and maintain such facilities as may be necessary for the transacting of its business. The Commission may acquire, hold, and convey real and personal property and any interest therein.

"(j) The Commission may adopt, amend, and rescind bylaws, rules, and regulations for the conduct of its business.

"(k) The Commission annually shall make to the Governor of each party state, a report covering the activities of the Commission for the preceding year, and embodying such recommendations as may have been adopted by the Commission which report shall be transmitted to the legislature of said state. The Commission may issue such additional reports as it may deem desirable.

"ARTICLE IV

"FINANCES

"(a) The Commission shall submit to the executive head or designated officer or officers of each party state a budget of its estimated expenditures for such period as may be required by the laws of that jurisdiction for presentation to the legislature thereof.

"(b) Each of the Commission's budgets of estimated expenditures shall contain specific recommendations of the amount or amounts to be appropriated by each of the party states. Subject to appropriation by the respective legislatures the Commission shall be provided with such funds by each of the party states as are necessary to provide the

means of establishing and maintaining facilities, a staff of personnel, and such activities as may be necessary to fulfill the powers and duties imposed upon and entrusted to the Commission.

"(c) The Commission may meet any of its obligations in whole or in part with funds available to it under Article III(h) of this compact, provided that the Commission takes specific action setting aside such funds prior to the incurring of any obligation to be met in whole or in part in this manner. Except where the Commission makes use of funds available to it under Article III(h) hereof, the Commission shall not incur any obligations prior to the allotment of funds by the party jurisdictions adequate to meet the same.

"(d) The expenses and any other costs for each member of the Commission shall be met by the Commission in accordance with such standards and procedures as it may establish under its bylaws.

"(e) The Commission shall keep accurate accounts of all receipts and disbursements. The receipts and disbursements of the Commission shall be subject to the audit and accounting procedures established under its bylaws. However, all receipts and disbursements of funds handled by the Commission shall be audited yearly by a qualified public accountant and the report of the audit shall be included in and become a part of the annual report of the Commission.

"(f) The accounts of the Commission shall be open at any reasonable time for inspection.

"ARTICLE V

The Commission shall provide under its bylaws for procedures for the reference of questions to such committee.

(6) recommend, within the framework of the Constitution, the most desirable allocation of governmental functions, responsibilities, and revenues among the several levels of government; and

(7) recommend methods of coordinating and simplifying tax laws and administrative practices to achieve a more orderly and less competitive fiscal relationship between the levels of government and to reduce the burden of compliance for taxpayers.

CONTRACTING AUTHORITY

41 USC 5.

SEC. 6. (a) The Commission is authorized, without regard to section 3709 of the Revised Statutes or any other provision of law requiring competitive bidding, to enter into contracts with qualified carriers offering plans described in section 4. Each such contract shall be for a uniform term of at least one year, but may be made automatically renewable from term to term in the absence of notice of termination by either party.

(b) (1) To be eligible as the carrier for the plan described in section 4(2), a company must be licensed to issue group health insurance in all the States of the United States and the District of Columbia.

(2) Each contract for a plan described in paragraph (1) or (2) of section 4 shall require the carrier—

(A) to reinsure with such other companies as may elect to participate, in accordance with an equitable formula based on the total amount of their group health insurance benefit payments in the United States during the latest year for which such information is available, to be determined by the carrier and approved by the Commission, or

(B) to allocate its rights and obligations under the contract among such of its affiliates as may elect to participate, in accordance with an equitable formula to be determined by the carrier and such affiliates and approved by the Commission.

(c) Each contract under this Act shall contain a detailed statement of benefits offered and shall include such maximums, limitations, exclusions, and other definitions of benefits as the Commission may deem necessary or desirable.

(d) The Commission is authorized to prescribe regulations fixing reasonable minimum standards for health benefits plans described in section 4 and for carriers offering such plans. Approval of such a plan shall not be withdrawn except after notice, and opportunity for hearing without regard to the Administrative Procedure Act, to the carrier or carriers concerned.

(e) No contract shall be made or plan approved which excludes any person because of race, sex, health status, or, at the time of the first opportunity to enroll, because of age.

(f) No contract shall be made or plan approved which does not offer to each employee and annuitant whose enrollment in the plan is terminated, other than by a cancellation of enrollment, a temporary extension of coverage during which he may exercise the option to convert, without evidence of good health, to a nongroup contract providing health benefits. An employee or annuitant who exercises this option shall pay the full periodic charges of the nongroup contract, on such terms or conditions as are prescribed by the carrier and approved by the Commission.

(g) The benefits and coverage made available pursuant to the provisions of subsection (f) shall, at the option of the employee or annuitant, be noncancelable by the carrier except for fraud, overinsurance, or nonpayment of periodic charges.

(h) Rates charged under health benefits plans described in section 4 shall reasonably and equitably reflect the cost of the benefits provided. Rates under health benefits plans described in section 4 (1) and (2) shall be determined on a basis which, in the judgment of the Commission, is consistent with the lowest schedule of basic rates generally charged for new group health benefit plans issued to large employers; rates determined for the first contract term shall be continued for subsequent contract terms, except that they may be readjusted for any subsequent term, based on past experience and benefit adjustments under the subsequent contract; any readjustment in rates shall be made in advance of the contract term in which they will apply and on a basis which, in the judgment of the Commission, is consistent with the general practice of carriers which issue group health benefit plans to large employers.

CONTRIBUTIONS

SEC. 7. (a) (1) Except as provided in paragraph (2) of this subsection, the Government contribution for health benefits for employees or annuitants enrolled in health benefits plans under this Act, in addition to the contributions required by paragraph (3), shall be 50 per centum of the lowest rates charged by a carrier for a level of benefits offered by a plan under paragraph (1) or paragraph (2) of section 4, but (A) not less than \$1.25 or more than \$1.75 biweekly for an employee or annuitant who is enrolled for self alone, (B) not less than \$3 or more than \$4.25 biweekly for an employee or annuitant who is enrolled for self and family (other than as provided in clause (C) of this paragraph), and (C) not less than \$1.75 or more than \$2.50 biweekly for a female employee or annuitant enrolled for self and family including a nondependent husband.

(2) For an employee or annuitant enrolled in a plan described under section 4 (3) or (4) for which the biweekly subscription charge is less than \$2.50 for an employee or annuitant enrolled for self alone or \$6 for an employee or annuitant enrolled for self and family, the contribution of the Government shall be 50 per centum of such subscription charge, except that if a nondependent husband is a member of the family of a female employee or annuitant who is enrolled for herself and family the contribution of the Government shall be 30 per centum of such subscription charge.

(3) There shall be withheld from the salary of each enrolled employee and the annuity of each enrolled annuitant, and there shall be contributed by the Government, amounts (in the same ratio as the contributions of such employee or annuitant and the Government

under paragraphs (1) and (2)) which are necessary for the administrative costs and the reserves provided for by section 8(b).

(4) There shall be withheld from the salary of each enrolled employee or annuity of each enrolled annuitant so much as is necessary, after deducting the contribution of the Government, to pay the total charge for his enrollment. The amount withheld from the annuity of an annuitant shall be equal to the amount withheld from the salary of an employee when both are enrolled in the same plan providing the same health benefits.

(b) An employee enrolled in a health benefits plan under this Act who is placed in a leave without pay status may have his coverage and the coverage of members of his family continued under such plan for a period not to exceed one year in accordance with regulations prescribed by the Commission. Such regulations may provide for the waiving of contributions by the employee and the Government.

(c) The sums authorized to be contributed by the Government with respect to any employee shall be paid from—

(1) the appropriation or fund which is used for payment of the salary, wage, or other compensation of such employee,

(2) in the case of an elected official, from such appropriation or fund as may be available for payment of other salaries of the same office or establishment,

(3) in the case of an employee in the legislative branch whose salary, wage, or other compensation is disbursed by the Clerk of the House of Representatives, from the contingent fund of the House, and

(4) in the case of an employee in a leave without pay status, from the appropriation or fund which would be used for the payment of the salary of such employee if he were in a pay status.

The sums authorized by subsection (a)(1) to be contributed by the Government with respect to any annuitant shall be paid from annual appropriations which are hereby authorized to be made for such purpose.

(d) The Commission shall provide for conversion of rates of contribution specified in this section in the cases of employees and annuitants paid on other than a biweekly basis, and for this purpose may provide for adjustment of any such rate to the nearest cent.

EMPLOYEES HEALTH BENEFITS FUND

SEC. 8. (a) There is hereby created an Employees Health Benefits Fund, hereinafter referred to as the "Fund", to be administered by the Commission, which is hereby made available without fiscal year limitation for all payments to approved health benefits plans. The contributions of employees, annuitants, and the Government described in section 7 shall be paid into the Fund.

(b) Portions of the contributions made by employees, annuitants, and the Government shall be regularly set aside in the Fund as follows: (1) a percentage, not to exceed 1 per centum of all such contributions, determined by the Commission as reasonably adequate to pay the administrative expenses made available by section 9; (2) for each health benefits plan, a percentage, not to exceed 3 per centum of the contributions toward such plan, determined by the Commission as reasonably adequate to provide a contingency reserve. The income derived from any dividends, rate adjustments, or other refunds made

by a plan shall be credited to its contingency reserve. The contingency reserves may be used to defray increases in future rates, or may be applied to reduce the contributions of employees and the Government to, or to increase the benefits provided by, the plan from which such reserves are derived, as the Commission shall from time to time determine.

(c) The Secretary of the Treasury is authorized to invest and reinvest any of the moneys in the Fund in interest-bearing obligations of the United States and to sell such obligations of the United States for the purposes of the Fund. The interest on and the proceeds from the sale of any such obligations shall become a part of the Fund.

ADMINISTRATIVE EXPENSES

SEC. 9. (a) There are hereby authorized to be expended from the Employees' Life Insurance Fund, without regard to limitations on expenditures from that Fund, for the fiscal years 1960 and 1961, such sums as may be necessary to pay administrative expenses incurred by the Commission in carrying out the health benefits provisions of this Act. Reimbursements to the Employees' Life Insurance Fund for sums so expended, together with interest at a rate to be determined by the Secretary of the Treasury, shall be made from the Employees Health Benefits Fund.

(b) The Employees Health Benefits Fund is hereby made available (1) to reimburse the Employees' Life Insurance Fund for sums expended by the Commission in administering the provisions of this Act for the fiscal years 1960 and 1961 and (2), within such limitations as may be specified annually by the Congress, to pay such expenses for subsequent fiscal years.

ADMINISTRATION

SEC. 10. (a) The Commission is authorized to promulgate such regulations as may be necessary to carry out the provisions of this Act.

(b) Regulations of the Commission shall include regulations with respect to the beginning and ending dates of coverage of employees and annuitants and members of their families under health benefits plans, and for such purpose may permit such coverage to continue, exclusive of the temporary extension of coverage described in section 6(f), until the end of the pay period in which an employee is separated from service or until the end of the month in which an annuitant ceases to be entitled to annuity, and in case of the death of such employee or annuitant may permit a temporary extension of the coverage of the members of his family for a period not to exceed ninety days.

(c) Any employee enrolled in a plan under this Act who is removed or suspended without pay and later reinstated or restored to duty on the ground that such removal or suspension was unjustified or unwarranted shall not be deprived of coverage or benefits for the interim but shall have his coverage restored to the same extent and effect as though such removal or suspension had not taken place, and appropriate adjustments shall be made in premiums, subscription charges, contributions, and claims.

(d) The Commission shall make available to each employee eligible to enroll in a health benefits plan under this Act such information, in a form acceptable to the Commission after consultation with the carrier, as may be necessary to enable such employee to exercise an informed choice among the types of plans referred to in section 4. Each employee enrolled in such a health benefits plan shall be issued an appropriate document setting forth or summarizing the services or benefits (including maximums, limitations, and exclusions), to which the employee, or the employee and members of his family, are entitled thereunder, the procedure for obtaining benefits, and the principal provisions of the plan affecting the employee or members of his family.

STUDIES, REPORTS, AND AUDITS

SEC. 11. (a) The Commission shall make a continuing study of the operation and administration of this Act, including surveys and reports on health benefits plans available to employees and on the experience of such plans.

(b) The Commission shall include provisions in contracts with carriers which would require carriers to (1) furnish such reasonable reports as the Commission determines to be necessary to enable it to carry out its functions under this Act, and (2) permit the Commission and representatives of the General Accounting Office to examine records of the carriers as may be necessary to carry out the purposes of this Act.

(c) Each Government department, agency, and independent establishment shall keep such records, make such certifications, and furnish the Commission with such information and reports as may be necessary to enable the Commission to carry out its functions under this Act.

SEC. 13. The Chairman of the Commission shall appoint a committee composed of five members who shall serve without compensation, to advise the Commission regarding matters of concern to employees under this Act. Each member of such committee shall be an employee enrolled under this Act or an elected officer of an employee organization.

SEC. 14. (a) The Chairman of the Commission is authorized to appoint in grade 18 of the General Schedule of the Classification Act of 1949, as amended, an officer who shall have such functions and duties with respect to retirement, life insurance, and health benefits programs as the Commission shall prescribe. Such positions shall be in addition to the number of positions otherwise authorized by law to be placed in such grade.

(b) The rate of basic compensation of the Executive Director of the United States Civil Service Commission shall be \$19,000 per annum.
